THE GOAL OF THE GAME is to be at the top of the list of who is the most loving.

Sue Jeff Bill Ann Lisa

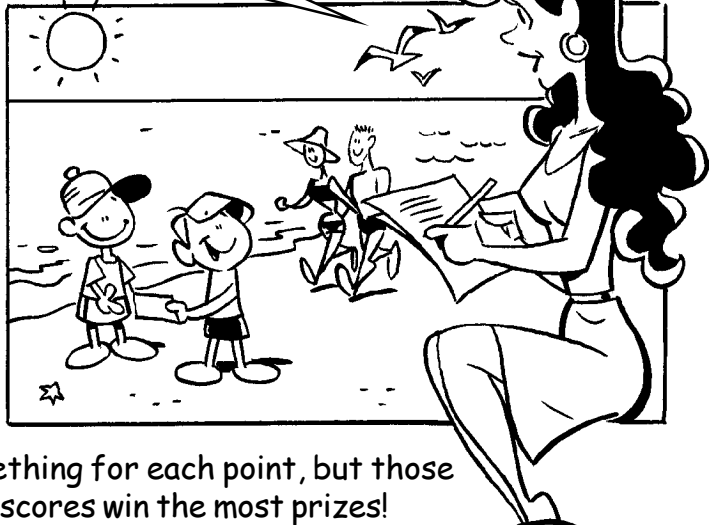

You can take as many turns as you like, by doing something loving.

There are so many things you can do to brighten someone's life, make their job easier or give them a little love.

Every time you gain a point, I record it on your love scoreboard!

**T**HE MORE  
TURNS YOU  
TAKE, the more  
points you score.  
I have assigned to  
each of you a  
Heavenly  
scorekeeper who  
keeps track of  
your score.

You'll always win something for each point, but those with the highest scores win the most prizes!

When you arrive up Here, the scores will be displayed for all to see. You'll get to see who was the most loving, who showed others the most appreciation, and who won the most prizes.

It's only Jesus!

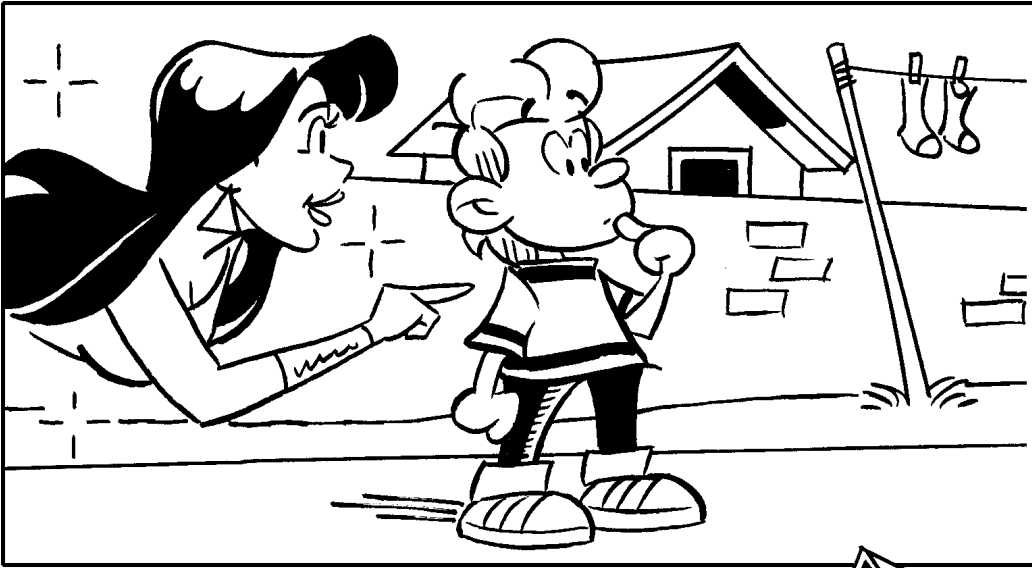

The prizes you win for playing are off the charts!

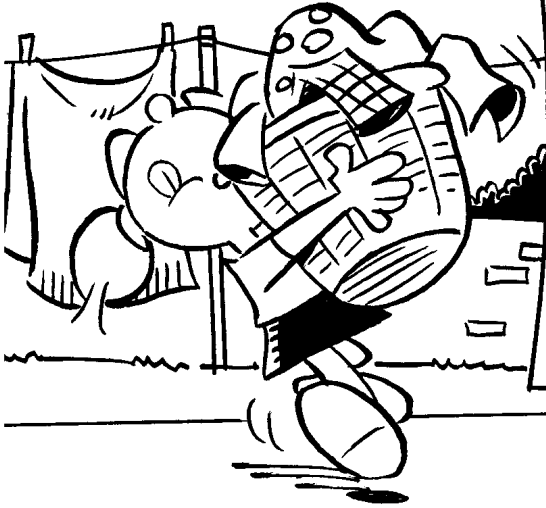

Heaven is watching you play!—Watching to see how skilled you become, cheering you on, watching to see if you discover new ways to score points. And when you get Here, the game goes on! Love is the name of the game, the “in” thing in Heaven, and everyone plays it.

**M**Y HEAVENLY HELPERS ARE WATCHING to see how they can help and coach you. It pays to learn the love game well.

Stretch those love muscles. Listen to your coaches. Keep taking turns, and stay in shape for the love game—because that's what Heaven is all about!

**TRAIN WITH ME.  
I'M THE CHAMP.**  
I'll teach you the winning  
ways and moves.

The key is to give it  
all you've got. Be sold  
out for love!

Let the love game  
rule your mind and  
actions all the time.  
Remember, your game  
improves with  
practice. Always take  
that turn to show  
love and appreciation.  
Simple little turns  
add up the points!

Stick with Me  
and I'll keep giving you  
the right calls every day  
so you can gain points.

Be a love game player, and you'll join the all-time greats  
—My all-stars! Want to play?  
I challenge you to a love match!
