

Our Heavenly Queen

—The Holy Spirit

Oh, how I love Her!
She is love, and
She loves you!
She wants to
comfort you like a
mommy.

Isn't She
beautiful?
Love rules in
Heaven. She
is the Queen
of Love!
She is My
Mother in
Heaven.

She wants to make you
feel all cozy and loved.
She has so much love
power!

Mmmm,
so comfy
and cozy!

Are you saved?
Do you
remember
when you asked
Me to come into
your heart, so I
could save you
from your sins?

Jesus, please
come live in
my heart.

You knew you
needed My help to learn
to do the right things.

Kate, "Do unto
others as you would
have them do
unto you!"

You had been naughty or unloving at times, and asked Me to forgive you and help you be a good boy or girl.

Ow!

I saved you when you asked Me to help you and to live in your heart!

Wow!
What a big gift!

That is My gift of salvation for you.

I have another very special gift for you! Ask Me to send the Queen of Love to share Her love power with you. She loves to do that!

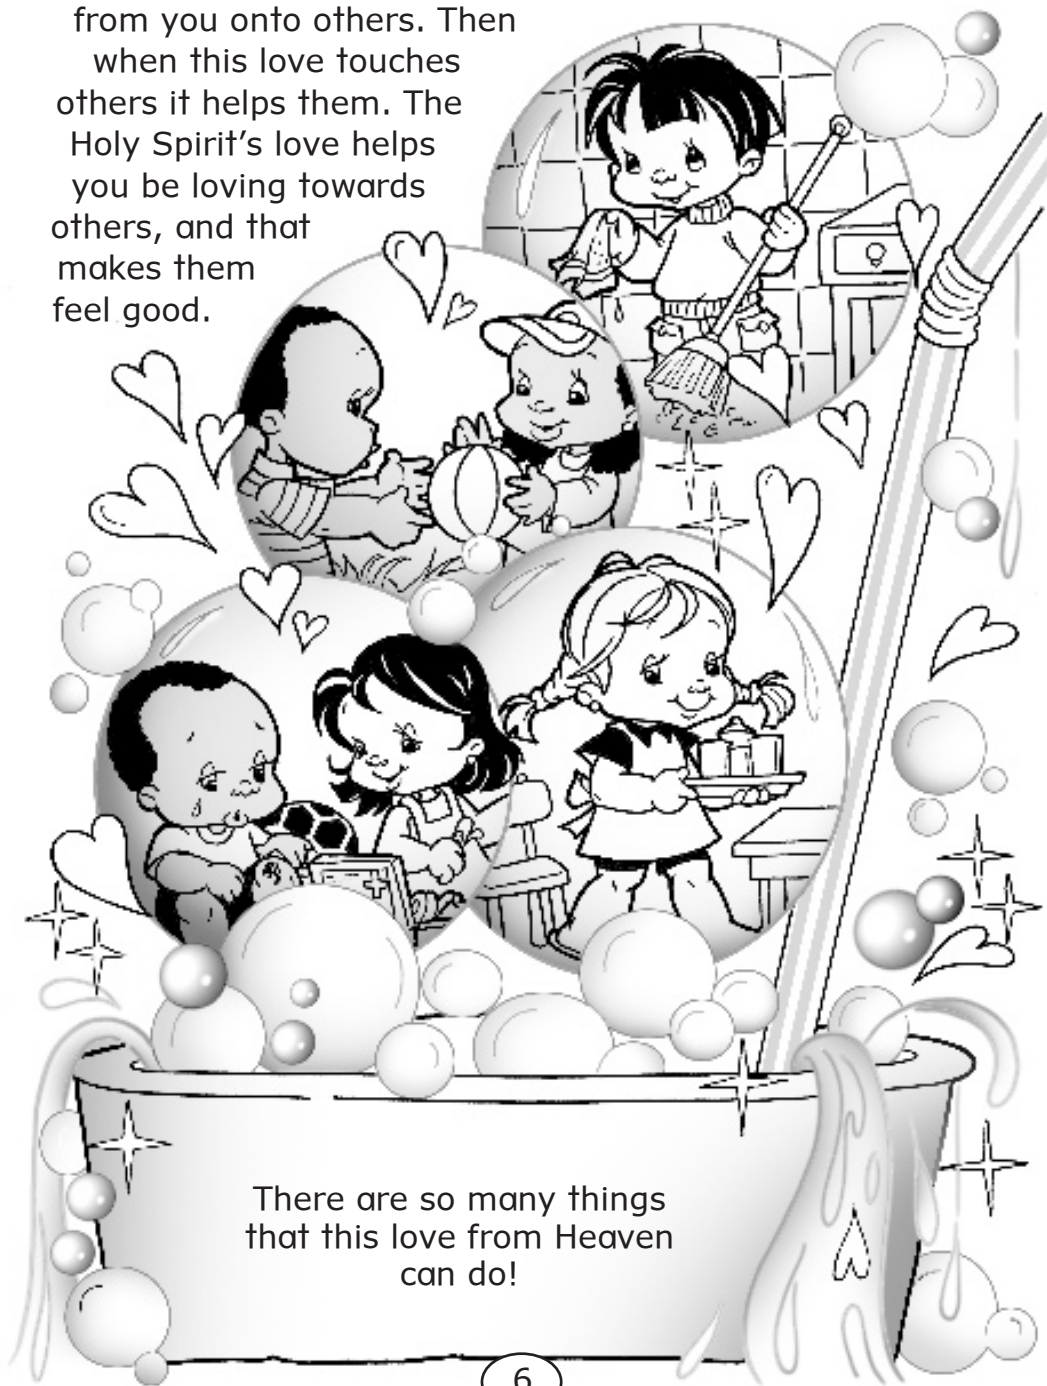

She will pour lots and lots of love into you, so it will make your love cup run all over.

It's overflowing! It makes you so happy! Remember how it looks when you blow bubbles in a cup and they pour out?

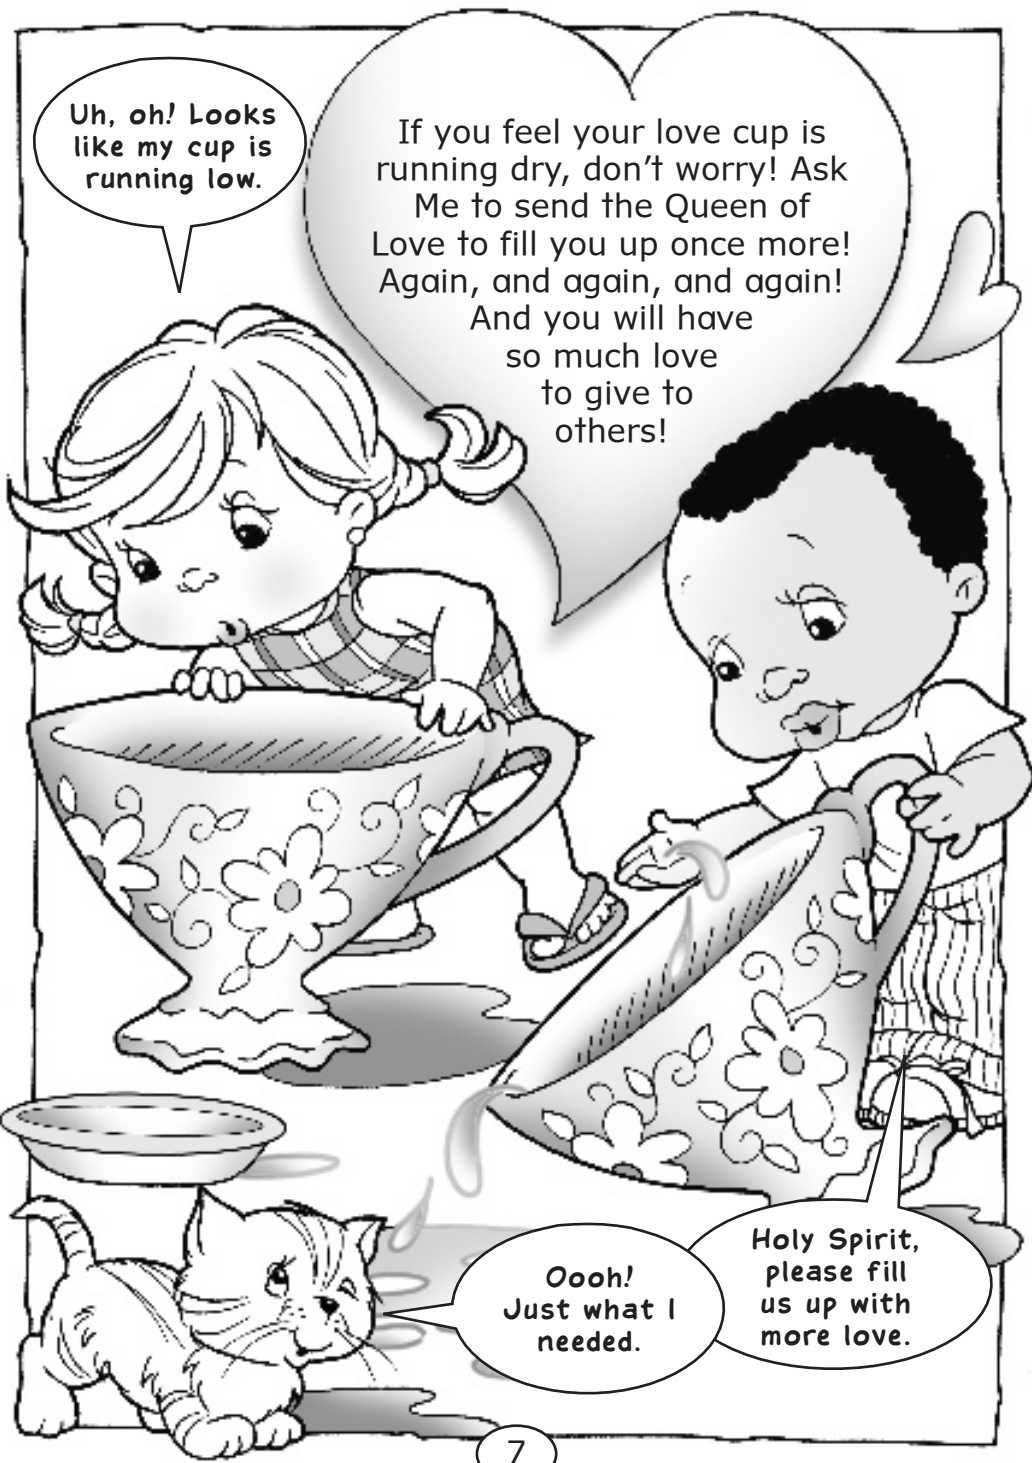

That's how
the love of the
Holy Spirit flows
out of the love cup
of your life, and Her
love never runs
out!

The best thing is that this love flows from you onto others. Then when this love touches others it helps them. The Holy Spirit's love helps you be loving towards others, and that makes them feel good.

There are so many things that this love from Heaven can do!

Uh, oh! Looks like my cup is running low.

If you feel your love cup is running dry, don't worry! Ask Me to send the Queen of Love to fill you up once more! Again, and again, and again! And you will have so much love to give to others!

Oooh! Just what I needed.

Holy Spirit, please fill us up with more love.

With the Holy Spirit's love pouring through you, you become a giver of My love! And when you touch others with My love, that makes you a witness of My love!

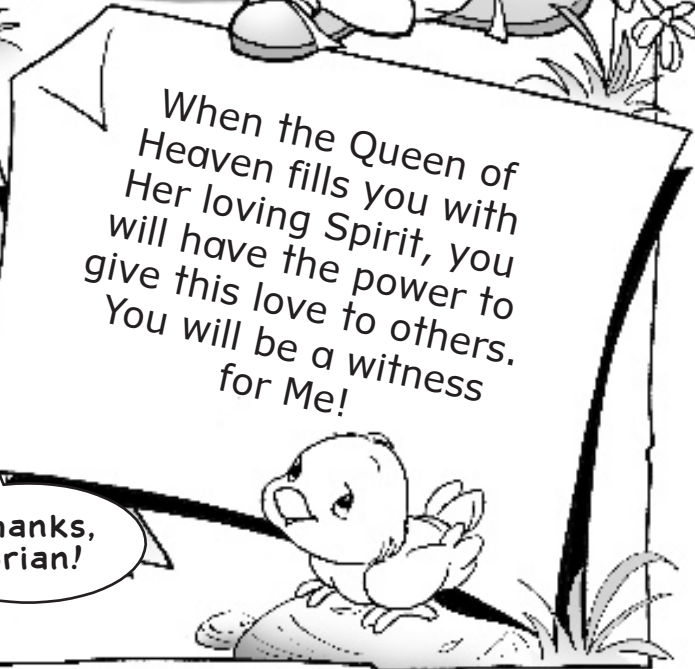

Thank you
so much!

Look
at this
here!

This is for
you to look at.
You'll love it!

When the Queen of
Heaven fills you with
Her loving Spirit, you
will have the power to
give this love to others.
You will be a witness
for Me!

Thanks,
Brian!

Jack, you can
play with my
ball.

Do you know what else She will do for you?

When you let Her fill your love cup with Her loving Spirit it's as if She touches you with Her magic wand and—*bing!*

You can hear Me speak to you so much easier!

Her love brings your spirit closer to My mighty Spirit, so that you will be able to hear Me speak to you!

We are always around you: God, My Father; My Heavenly Mother; and Me. We are with you in the spirit, invisible, but so real!

Come close, bring your little love cup, your heart, and We will fill it with Heavenly love!

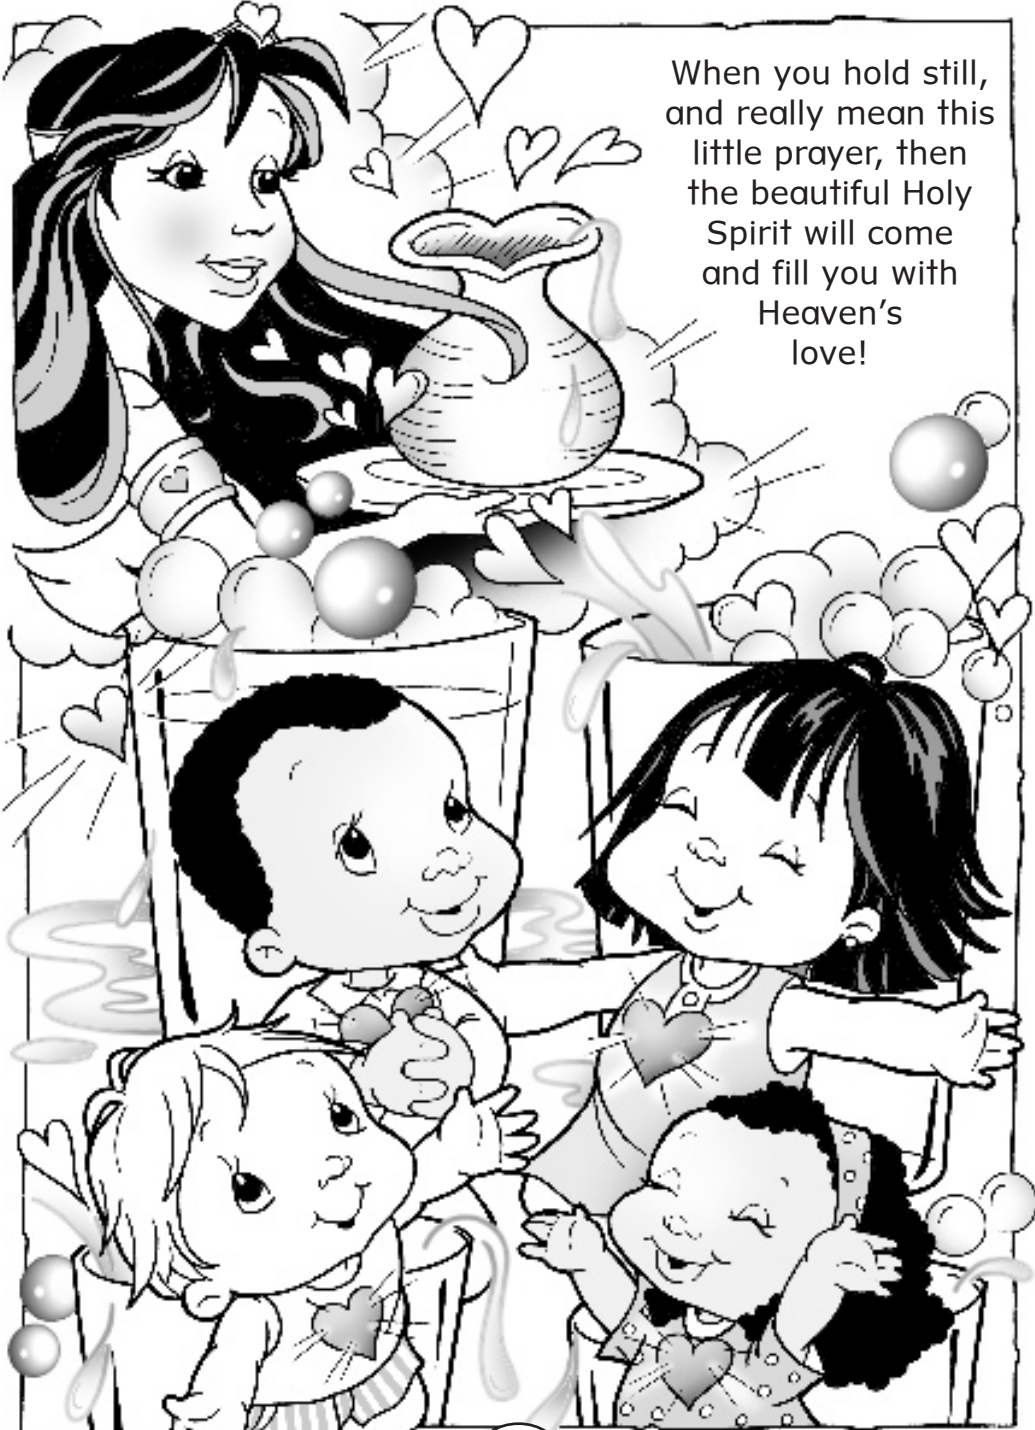

Open your heart
and pray:

Jesus, here is
my little love cup. It
doesn't have so much love
in it. I want the Heavenly
Queen to fill it so full it
flows over. I want a
whole big bunch
of love bubbles
in my heart.

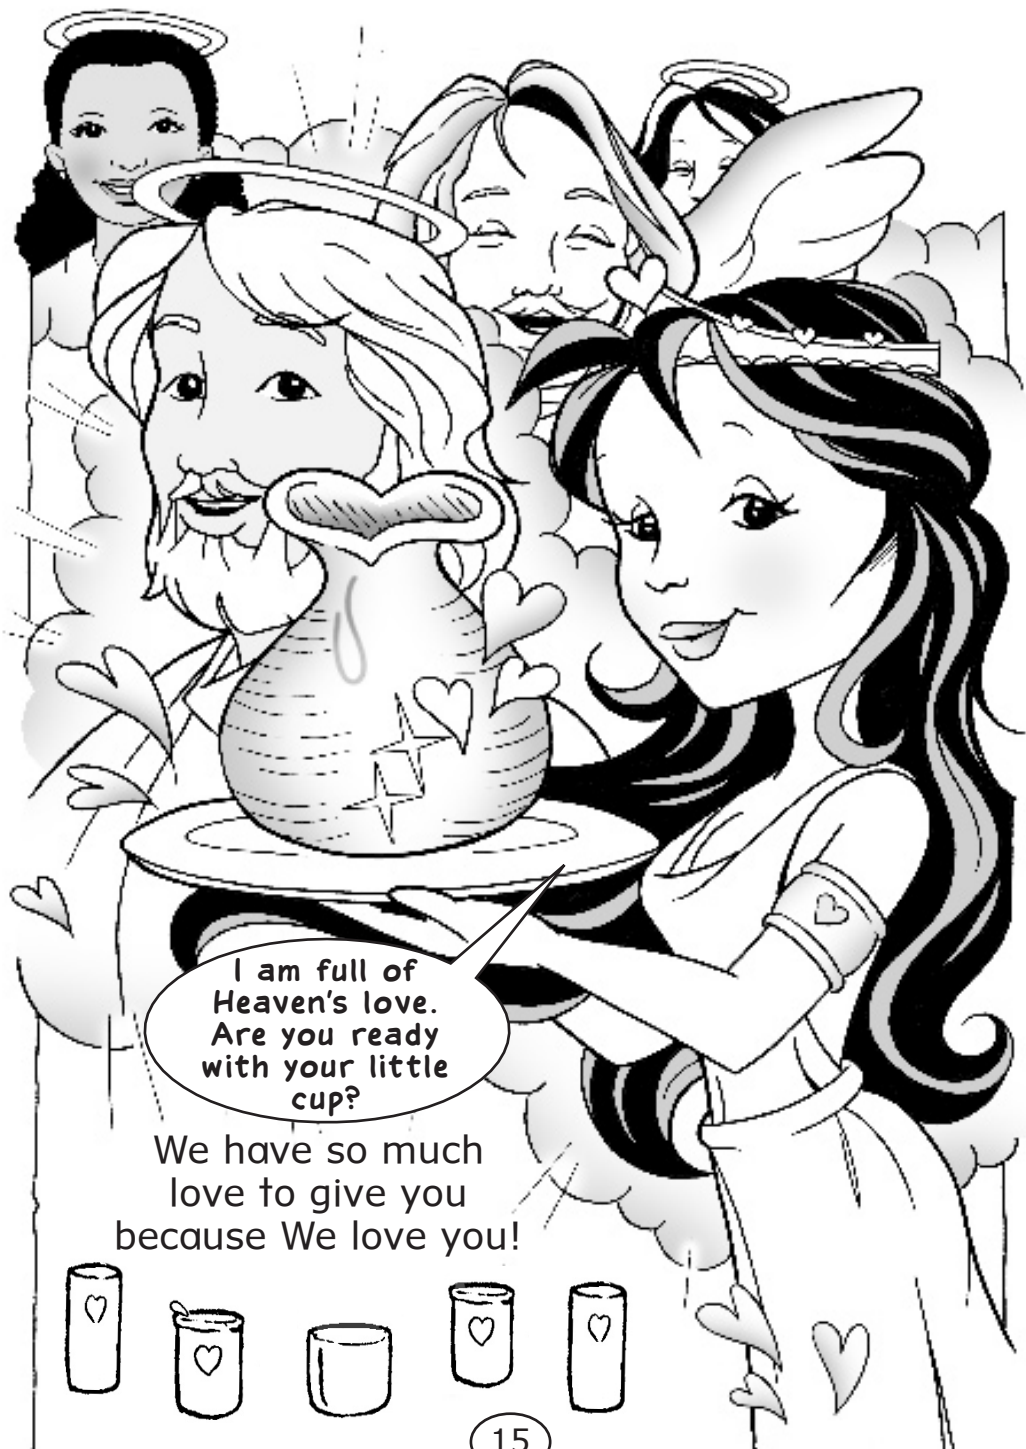

I want so much of
Your love that my
love cup runs over
with it! I want to be
full to overflowing
with Your
Love!

When you hold still,
and really mean this
little prayer, then
the beautiful Holy
Spirit will come
and fill you with
Heaven's
love!

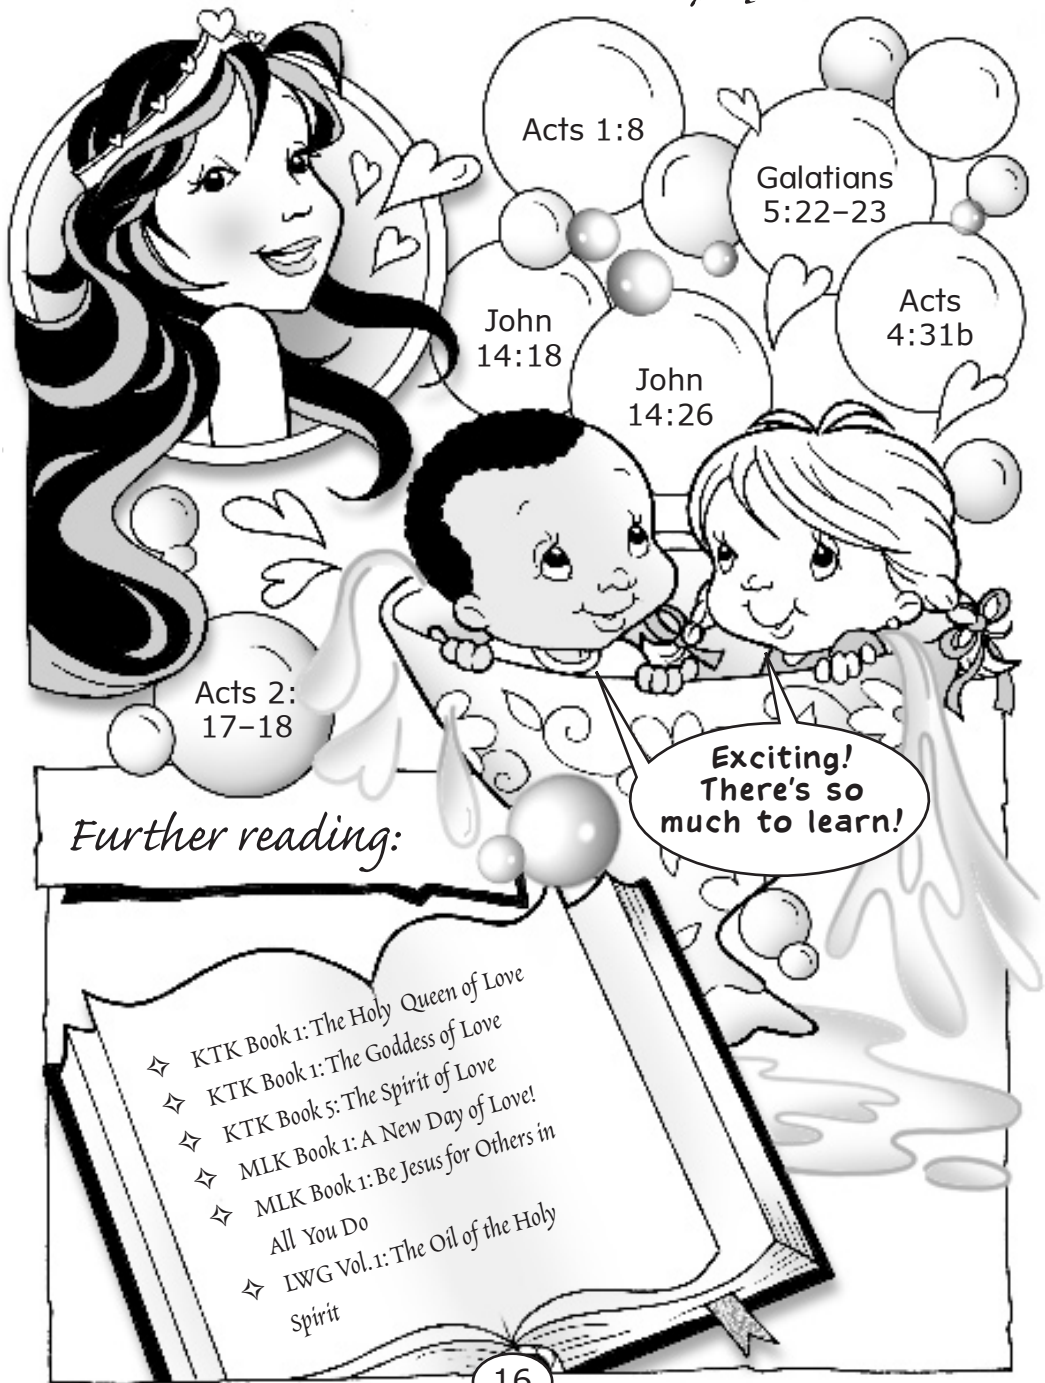

I am full of
Heaven's love.
Are you ready
with your little
cup?

We have so much
love to give you
because We love you!
