My Buttercups!

You are My little
buttercups.
Buttercups like the sun,
and they are so cute.
Just like you!

Nice
day!

A buttercup
is a little yellow
flower, often
shaped like a cup.
Have you ever
seen one?

I am your sun!
I want to shine through you
and make you beautiful little
flowers of My love to all those
you live with or meet.

The more of Me you have in you, the more you will glow and be happy.

People will want to know why you are so glowing and happy.

Hello!
How are you?
It's a beautiful
day, isn't it?

What
is your
name?

Snail of
the Wind.

You can tell them it is
because you have the
light of My love.

Then you can make
them happy by
letting them know
they can have My
light too.

If they want to receive Me,
I will come into their hearts
and be with them forever!
Just like I am with you.

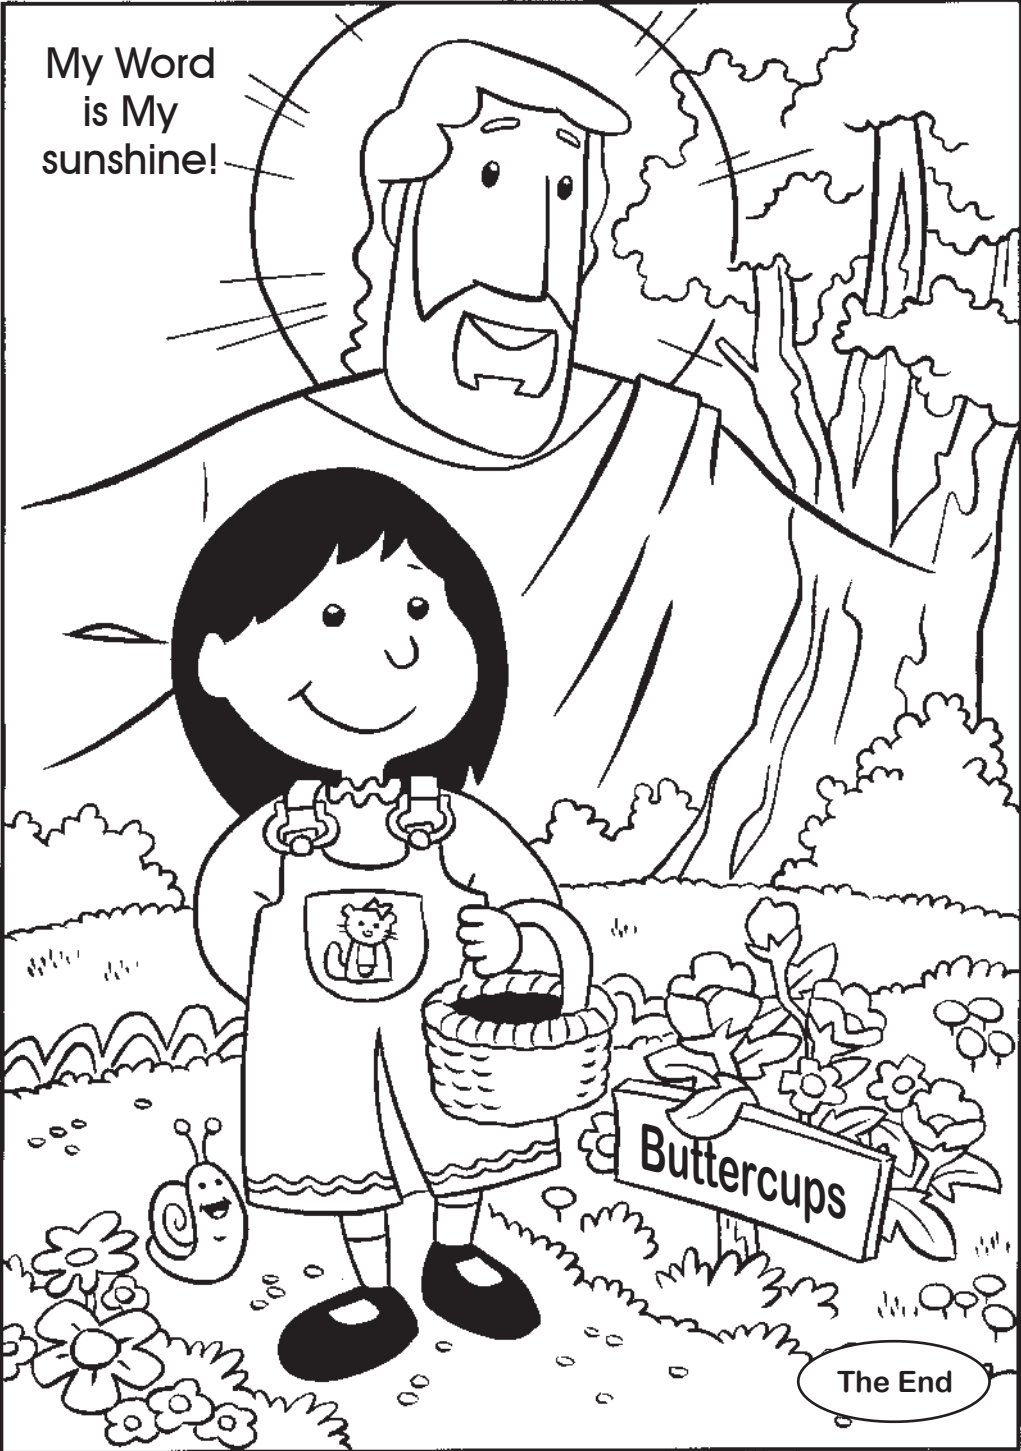

In Jesus'
name!

Be faithful to get plenty of My sunshine,
so that you can keep growing and
being My beautiful buttercups.

My Word
is My
sunshine!

The End
