I see two amazing beings,
male and female. She's tall
and very shapely, very strong.
He stands a good six inches
taller than she does, and is
also big and strong.

They look like
they're made
of liquid gold!
It's alive, living
gold, rippling and
radiant.

They're on fire
with this blazing
liquid gold that
is moving and
radiating, like it's
bubbling or boiling.
It reminds me of
a hot stream of
lava coming down a
mountainside, or of
when a goldsmith
is heating gold and
it's very hot and
bubbling.

TOLA

TOR

Looking at them is very soothing.

They communicate with me, and yet without words.

We're happy to be in your service.

Their facial skin looks like ours. Though their body is human in form, from their neck down their skin or clothing seems like liquid gold.

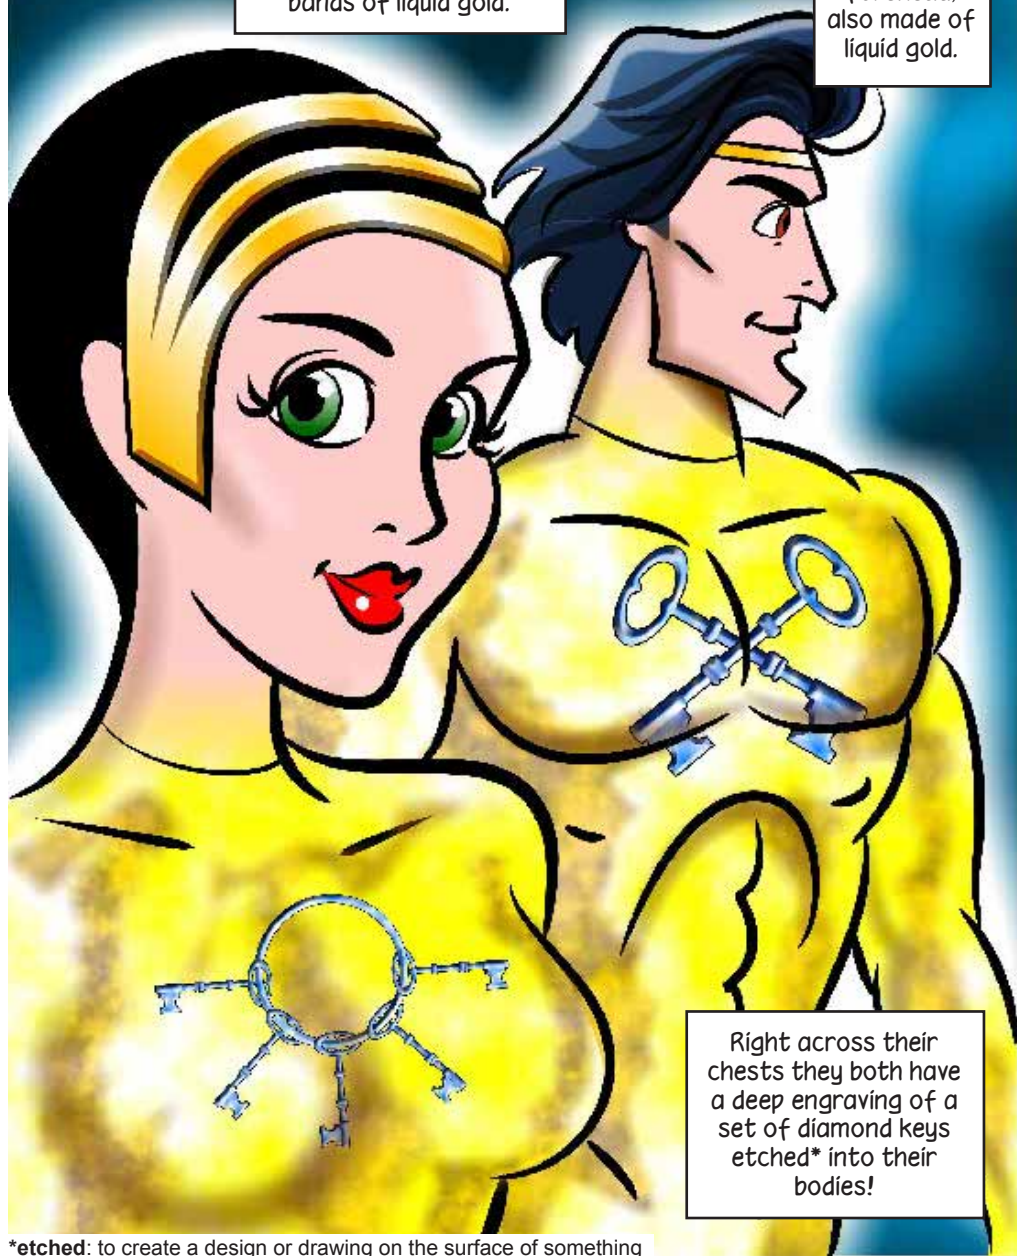

Their eyes are very deep, piercing eyes.

They're wearing headpieces.

The woman's hair is all up or slicked back under this headpiece that looks like bands of liquid gold.

The guy has a single headband across his forehead, also made of liquid gold.

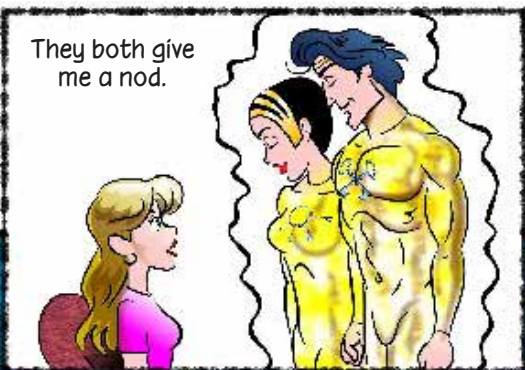

Right across their chests they both have a deep engraving of a set of diamond keys etched* into their bodies!

*etched: to create a design or drawing on the surface of something

Now he takes her hand.

They both give me a nod.

In a flash, they're surrounded by huge demon monsters!

Watch this!

They're standing face to face, and they look deep into each other's eyes.

Then they spin around with their arms held out. They spin round a few times. As they do, the gold substance within them comes gushing right out of their fingers like a raging torrent and blows these demons to bits!

They turn to each other again and nod. *(End of vision.)*

Meet Tola and Tor,
My children!

They are My
gift of love to the Family.
They are dedicated from now
until the end of time to serve you,
the children of David, to fight your
enemies in the power
of the keys.

Key power runs
through every fiber
of their being.

They will be your
protectors, your
guardians, and your
defenders! They
are victors! No
power of the Enemy
can withstand
these two. All
opposing spiritual
forces bow at their
feet, for they
carry the force of
golden key
power within.
This power,
when released upon
your enemies,
destroys all
in its path.

TOR

TOLA

Call on these two and they will be there to defend you and fight for you.

Many are the helpers of the children of David! Many are the mighty ones I put at your command! Call on them.
