**KEY
CRAFT**

I see what
looks like a huge flying
saucer suspended in the
air above us.

The outer edge of it
is like a very wide corridor.
There seem to be live beings
in this outer circle.

The center of
the saucer seems
to be hollow.

THE ROOF OR DOME of this vehicle looks like it's comprised of zillions* of rays of some type of energy, all crisscrossing in every which way across the top of the saucer like a type of energy force field.

Its radiance is an absolutely brilliant golden glow. Its pulsations are right in rhythm with the sound it's emitting. This dome also gives off comforting warmth.

ALL AROUND the circumference of this vehicle there are so many keys hanging that it looks like a fringe hanging on the edge. The keys look like they're made of fire!

*The
firepower of
the keys!*

The keys are gently moving and strike each other. It makes the most beautiful out-of-this-world sound of chimes, which are a comfort, but also bring warning.

*zillion: quantity so huge it cannot be counted

NOW THE SAUCER IS BEGINNING TO SPIN AROUND and around very fast, which causes the keys to stick straight out from the edge of the saucer. The energy from the force field of the dome is magnified hundreds of times over, and is gushing into the keys and then out all over!

It's similar to the energy that Tola and Tor are able to discharge and pour forth to defeat our enemies.

OUT BEYOND US it is very dark, and there are all kinds of ugly-looking creatures—demon beings.

Mixed in with these ugly monsters I see a few nice-looking beings too—handsome men and beautiful women—that are also very, very evil. But they can't harm us.

AS THE SAUCER SPINS and the keys on the edge emit their tremendous power, it creates a force field over us and around us that cannot be penetrated. This power keeps these evil ones away.

NEXT THE SAUCER SLOWS DOWN, and again hovers peacefully overhead. The keys dangle again like they're flowing in a gentle breeze, and when they do, I hear the chimes, which is very comforting.

The sound of the chimes makes me feel totally protected. At the same time, they are signaling me. They reveal the Devil's plans, so that we can avoid his traps.

You have seen one of the many heavenly key craft.

The key craft are for use by those who follow and obey Me and use key power in their lives.

This gift is for those who live in My Word by reading, absorbing and applying My Words.

Lord, help me to put Your Word into practice!

THE OUTER CORRIDOR of the key craft transports spirit beings and helpers that are ready to assist you in any way you need, especially whenever danger is near. Not one of Satan's evil followers is a match for these helpers.

THE KEY CRAFT transports the might and power and energy of the keys. It is spiritual, so instruments of man cannot detect it, yet it is real, and it is to assist you in these Last Days.

I tell you there's nothing out there!

Jesus, bless our witnessing today!

THE CHIMES SIGNAL YOU to walk in vigilance* and prayer. At the same time they give you peace, knowing that the keys are with you and are at your command.

Jesus, please guide us to the right house.

We claim key power to help us know where to go.

Yes, where we can witness about Your love.

*vigilance: watchfulness

THE DOME OF THE SAUCER is made of energy rays of key power. The keys sing you a new song—a song of power, strength, and courage, a song of comfort and faith, a song of victory of the Last Days.

I don't know why, but I get a check that we should skip this house.

The keys go before you. You are never alone.

It's a warning from the key craft.

Acknowledge the keys in all your ways and they will lead you. They will chime in your ear, warning you of danger spots, signaling you which direction to take, giving you checks of My Spirit.

(Vision continues:) I see different scenes of other Family members under a key craft and within the walls of energy.

I see a Family Home of about 10 members sitting at a table enjoying a meal and fellowshiping together. They're under a craft with the rays of energy coming down all around them.

I see two Family members riding on a city bus, and a craft is hovering over them, shining down its rays of energy around them.

I see Family members getting *Activated* subscriptions, and the same wall of energy is surrounding them.

I see a Family show group up on stage, playing to a large audience of several thousand people, and they too are in the center of a craft's protective energy rays, which are surrounding them.

Now I see the globe and I see several key craft. They're hovering over countries where the Family is living and working, and the key crafts are shining down their rays over the Family in those countries.

WHEN YOU CALL ON THE KEYS, you rev up the engines of the key craft, setting it spinning, releasing in great force its energy to destroy all evil.

There are many, many key crafts. They go wherever the power of the keys is needed and called upon.

I hold nothing back from those who call on the keys of the Kingdom of Heaven and tune in to their chimes.

Let them protect, guide and comfort you. Hear the chimes and be strong.

Other Heavenly Space Vehicles

Jesus:

AS I showed Grandpa the incredible space vehicle that transports the Heavenly City; as I showed Ezekiel many powerful heavenly wheels, and pictures of My heavenly

transporters and the throne of God; as I showed John pictures of the future and of the heavenly realm—so do I show to you this absolutely invincible vehicle!—The key craft, energy station of My key power.
