The Garden of Sickness

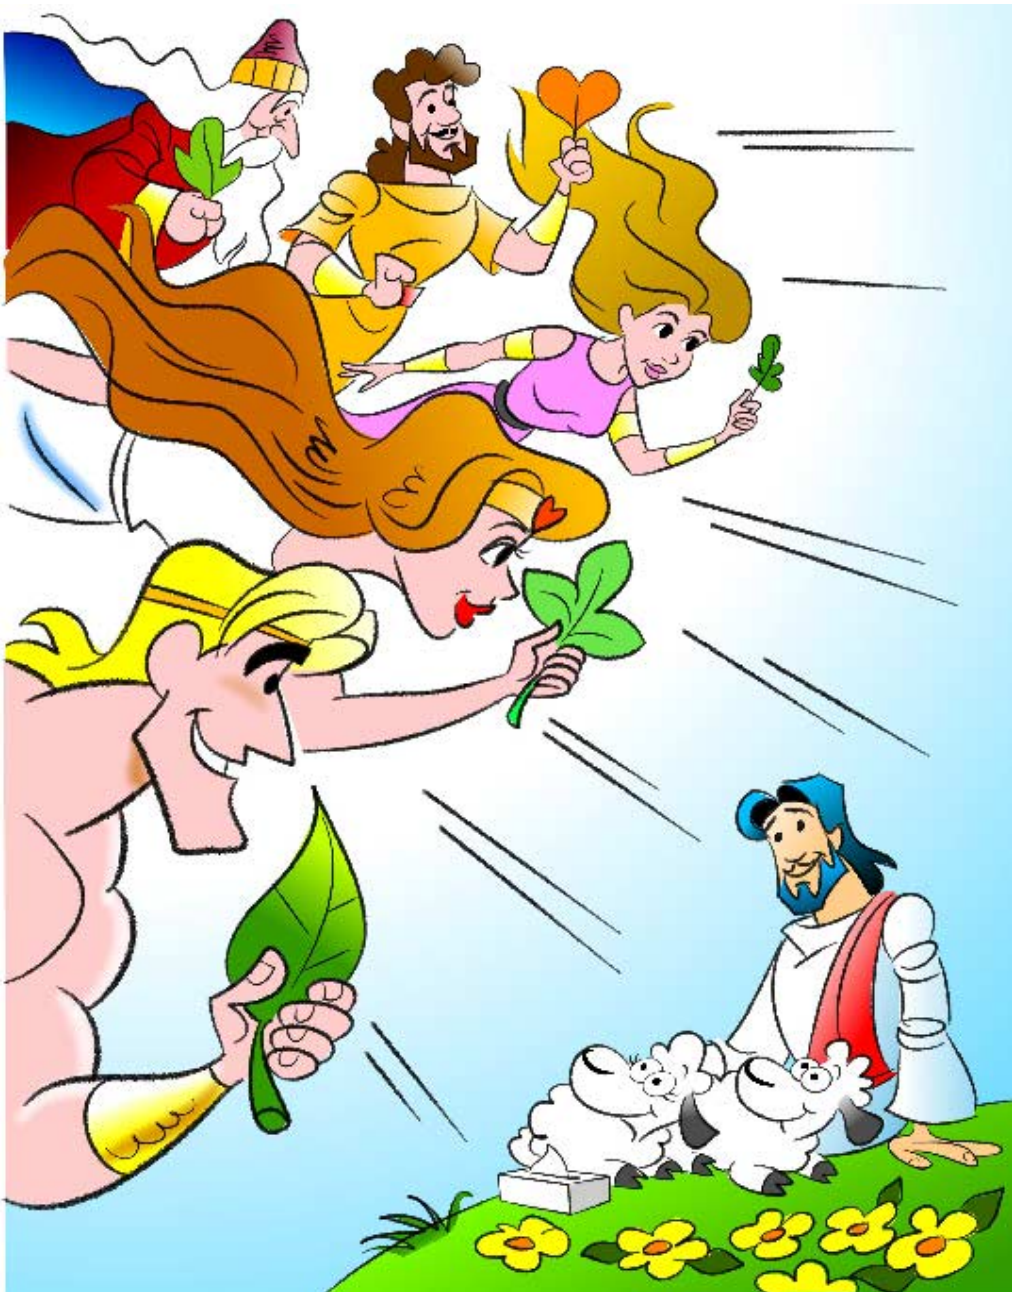

*Welcome
to this special
garden.*

This is a garden where I bring you, My lambs,
when you need healing.

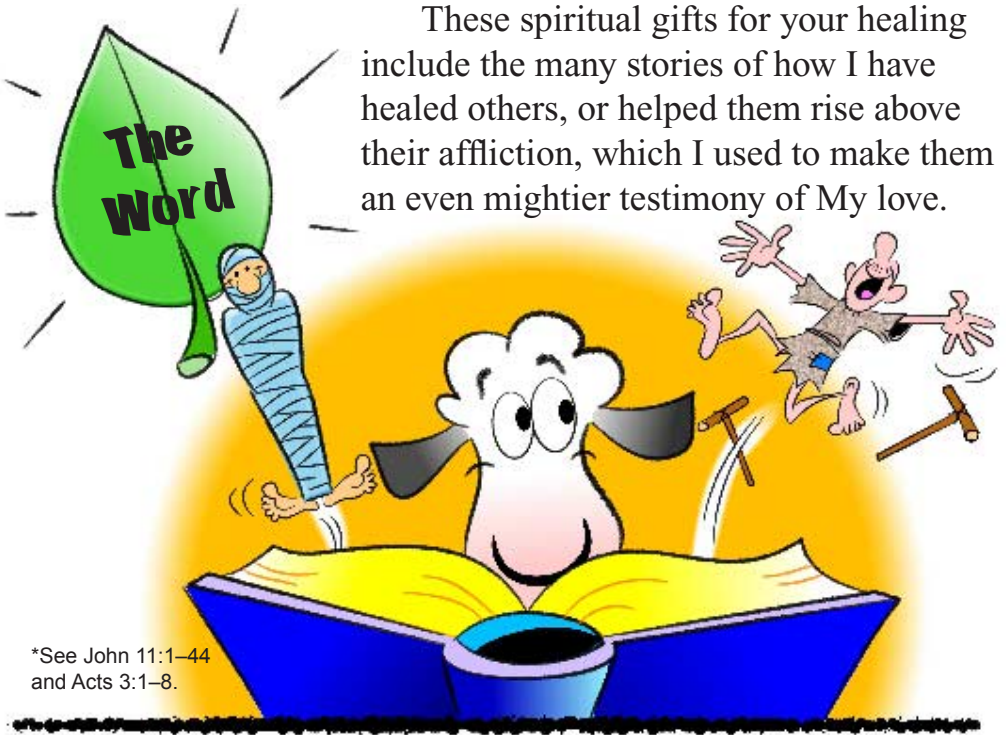

I lay you down on the soft grass, in the middle of the beautiful flowers. I care for you here in your sickness with My love and tenderness.

While you lie here, My ministering spirit helps bring to you My gifts for your healing.

These spiritual gifts for your healing include the many stories of how I have healed others, or helped them rise above their affliction, which I used to make them an even mightier testimony of My love.

*See John 11:1-44
and Acts 3:1-8.

During sickness, you must grab hold of the key promises and Bible promises I have given for your healing. See Me honor My Word!

**Rising
Above**

I teach you through your sickness
how to draw closer to Me so that you are
happy in spite of feeling sick.

As you
absorb the Word
while you are
sick, I'm able
to make you
stronger and
happier in spirit.

**Intercessory
Prayer**

I'm learning so much!

Spiritual Lessons

I want to pray for all the Homes in...

Here comes some heavenly power for you!

HEALING POWER!

As you pray for others, I send you My healing power as well.

I teach you to have compassion* for others through your sickness, which makes you want to reach out and help others more.

***compassion:** sympathy, or understanding others' trouble, along with a desire to help

Great power comes from humility. It gives you spiritual strength that will carry you forward and on to many victories.

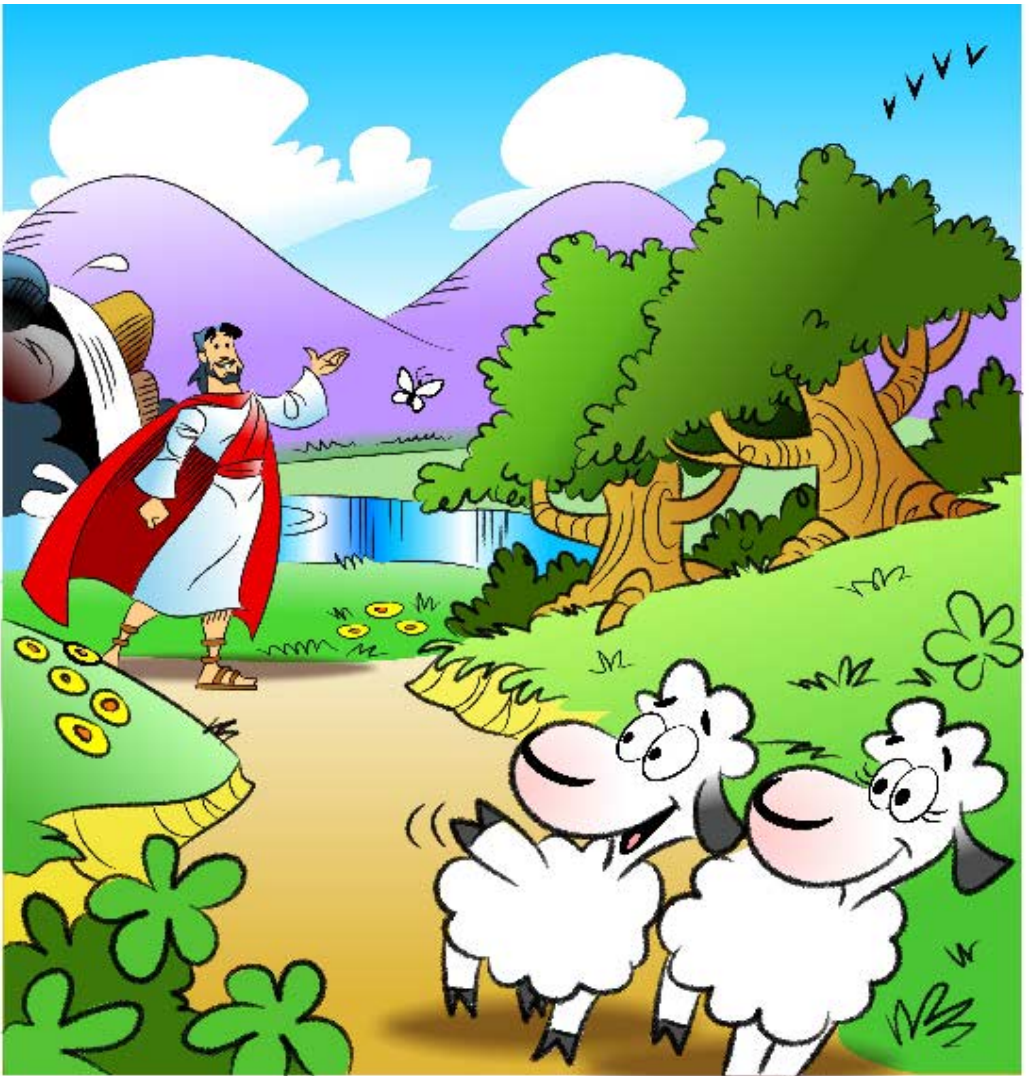

The Holy Spirit loves to come to you when you are sick. She surrounds you with Her motherly love. You feel love through the Words I speak to you while you are sick. You also experience this love through the loving deeds from your parents, brothers and sisters, and friends.

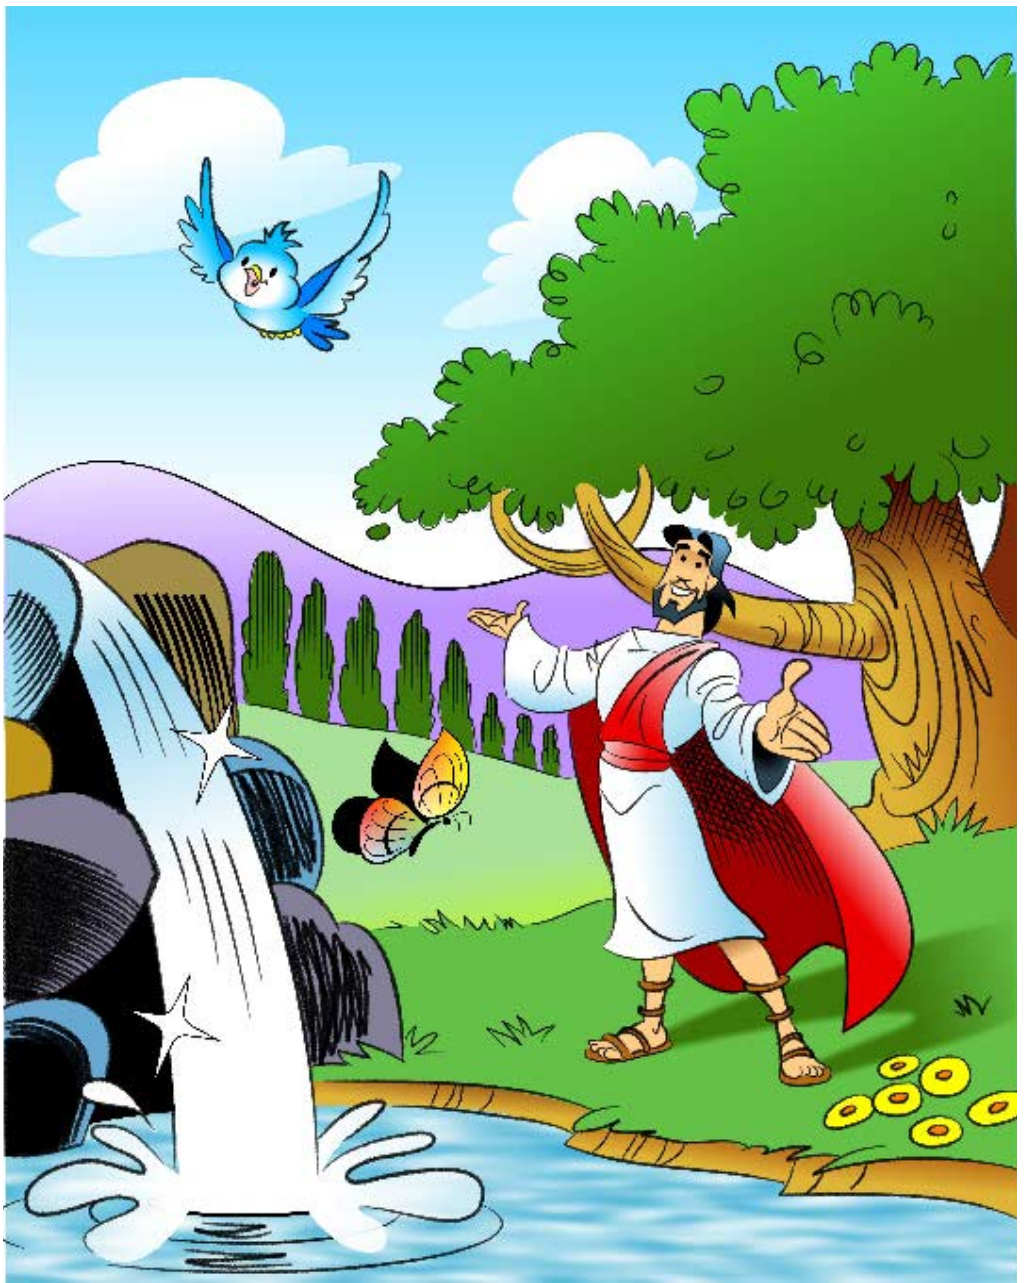

I never forsake one of My lambs that is sick. Even when I don't heal you right away, I am always there to comfort and soothe and to ease the difficulties of your sickness.

When you are healed and are able to leave this special garden, you will look back and thank Me for the spiritual gifts you received during this time. You will see that not only was your body healed, but your spirit was strengthened through the refreshing time you spent in the garden of sickness.

You will see that your time spent in this garden was a beautiful gift, lovingly presented from My hand.
