

Spirit Helpers

from the
New
Testament

My faithful saints from Bible times are excited about helping you! They have asked to talk to you, so you can get to know them better.

Although I am your greatest Spirit Helper, I encourage you to ask My other spirit helpers for their help in specific areas. They have many talents and gifts that they can instruct you in.

I have something in common with many of you.

When I was growing up, I was also taught about God and how to serve Him.

Timothy

When I was a boy, my grandmother, Lois, and my mother, Eunice, raised me to know and love God.

When I was a young man, the apostle Paul took over my spiritual training.

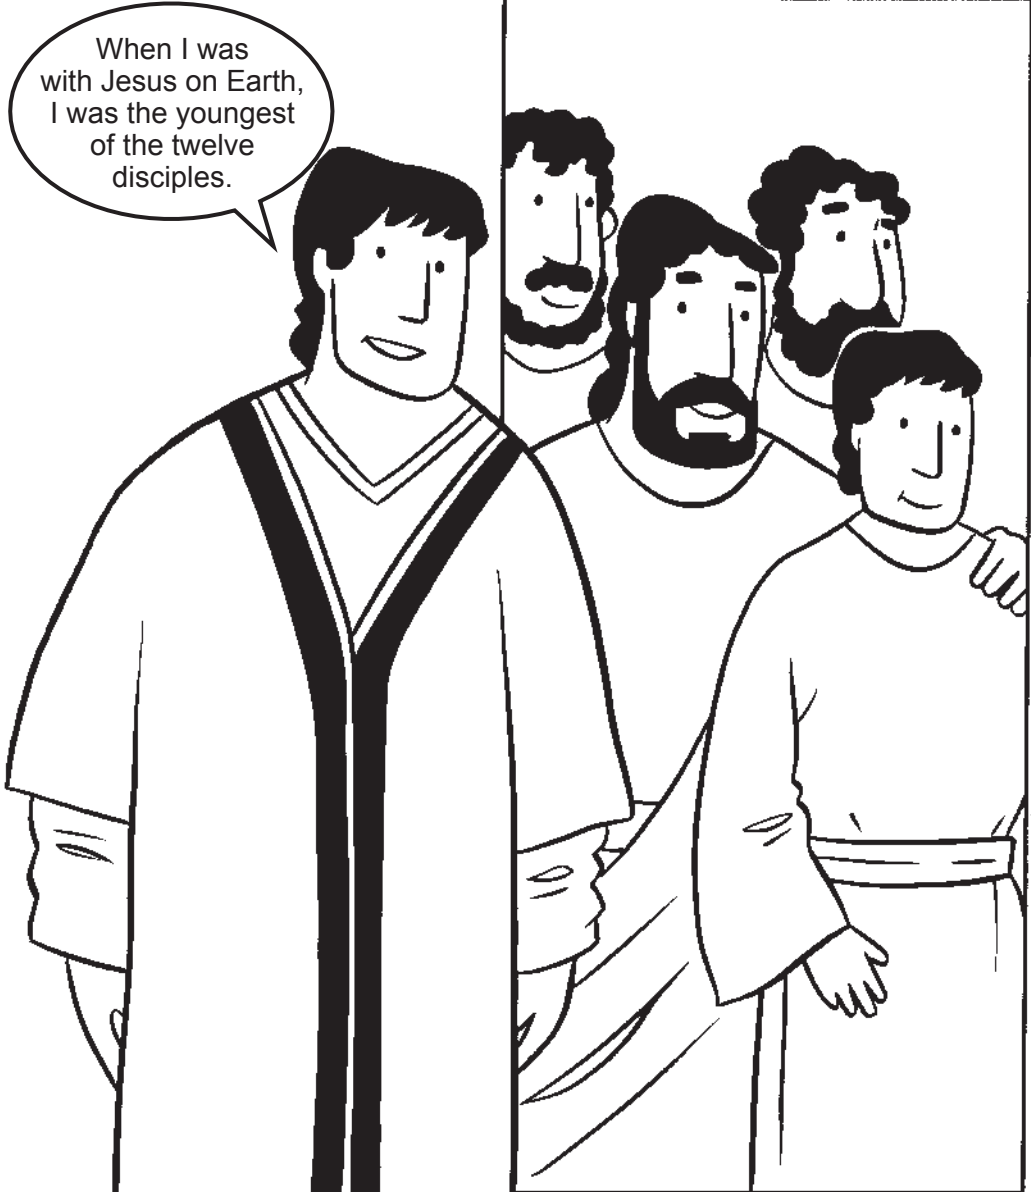

Paul explains this in a letter he wrote to me that you can find in the Bible: "And that from a child thou hast known the Holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus" (2 Timothy 3:15).

You can ask me to help you as you study the Word so that you can learn all you need to know about Jesus and His ways. I am eager to help you to grow up into a strong disciple like I was.

You can also ask my grandmother and mother, Lois and Eunice, to help your parents and caregivers in teaching you God's Word.

Read or quote 2 Timothy 1:5.

When I was
with Jesus on Earth,
I was the youngest
of the twelve
disciples.

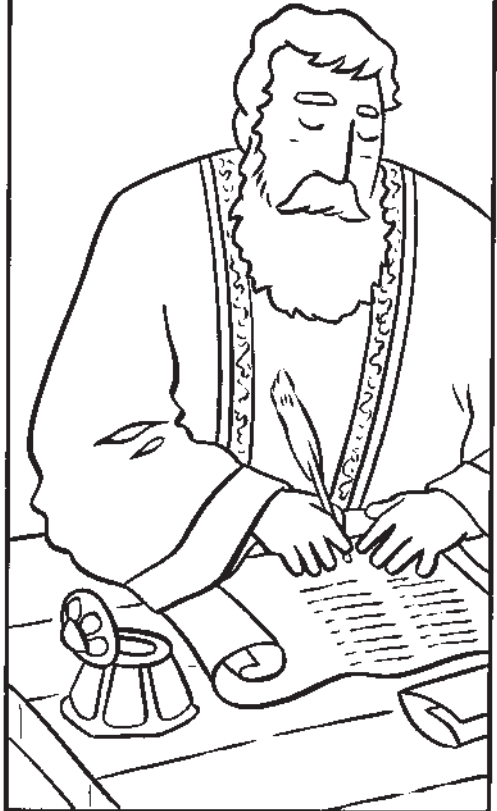

John
the Beloved

Jesus loved me in a special way,
like He would a younger brother.
That's how I got the name that
many people today on Earth know
me by—John the Beloved.

You are special to Jesus. He loves being with each of you, His children. There are specific, individual, and different things about each one of you that He loves and appreciates. Take time to talk to Jesus and enjoy His love and friendship.

Jesus also gave me a wonderful gift of being able to hear His Words and see His visions. The whole book of Revelation is full of prophecies and visions that Jesus gave me when I was older, mostly about the Endtime.

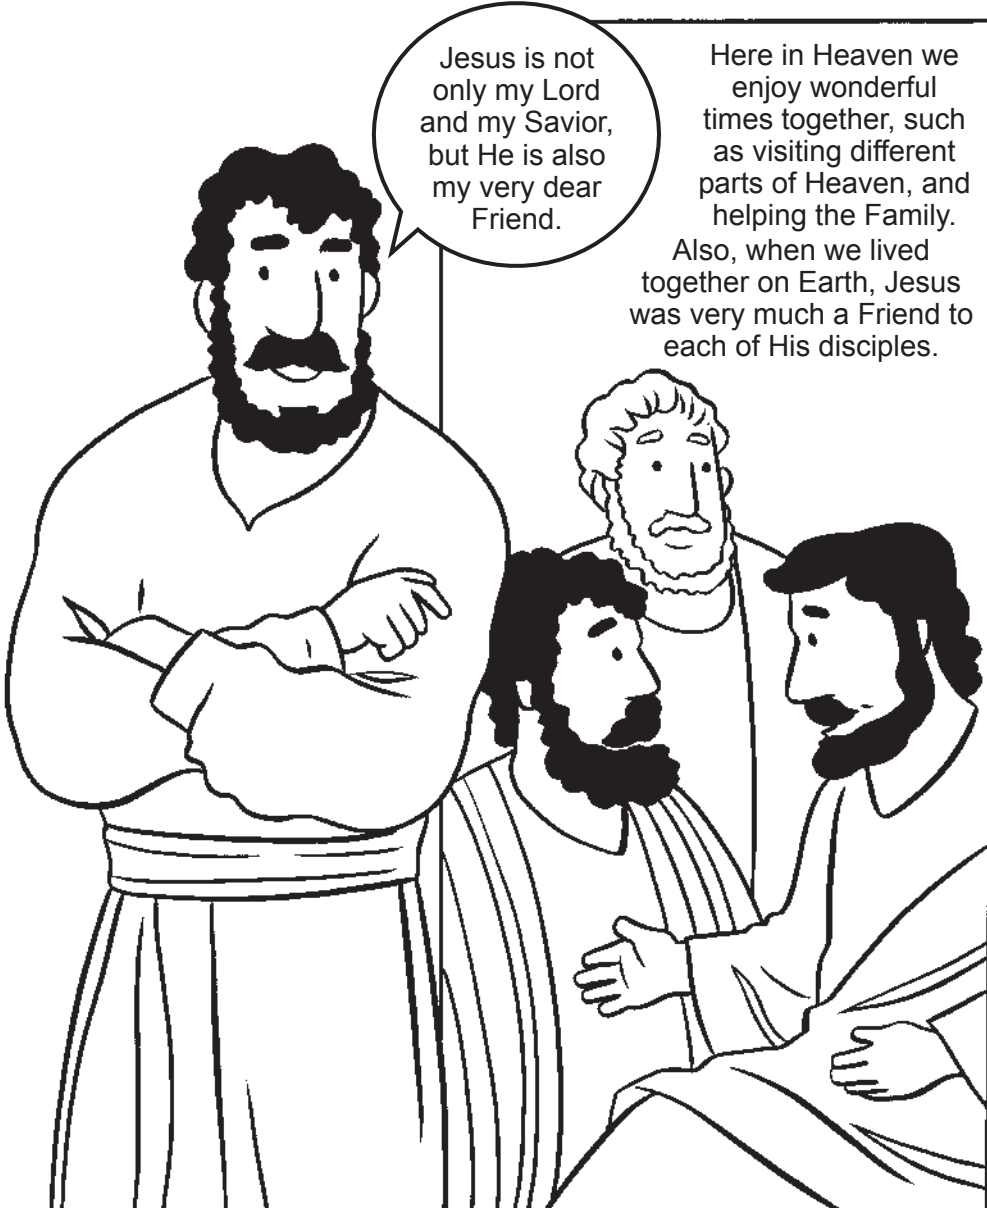

Tell Jesus
what's on your
heart.

When you ask for my help, I'll teach you more about how to talk to Jesus, so you can grow to love Jesus more.

Receiving messages from Jesus is very exciting and special! I can help you learn to tune in to the prophecies and visions that Jesus wants to give to you.

Besides the book of Revelation, what other book and three letters of the Bible did John write? You can learn a lot about Jesus' love by reading the Gospel of John.

Jesus is not only my Lord and my Savior, but He is also my very dear Friend.

Here in Heaven we enjoy wonderful times together, such as visiting different parts of Heaven, and helping the Family.

Also, when we lived together on Earth, Jesus was very much a Friend to each of His disciples.

Peter
the Apostle

He was our Shepherd and Leader, and sometimes He had to correct us when we did the wrong thing. But most of all, Jesus was our close Friend. And He's still that way with us here in Heaven.

You kids are very dear to Jesus' heart. I want to help you to have fun with Him like you would with a close and personal friend. There are many ways that you can grow closer to Jesus, and if you ask for my help, I can show you ways to grow closer to Him!

Jesus can tell you the answer to your question.

The Bible talks about how bold John and I were (Acts 4:13). We weren't bold in ourselves, but it was a gift Jesus gave us for witnessing to people.

Listen, people of Israel.

When you need help to be a bold witness, call on the keys of boldness and ask either John or me for help so you can boldly witness for Jesus, too!

Read about Peter in the Gospels. In John 21:1–17 read how Jesus told Peter to feed His sheep. And in Acts 1–12 you can read some amazing stories about Peter's witnessing adventures—how he obeyed Jesus and went out to feed Jesus' sheep. Peter wrote two letters that are found in the New Testament, 1st and 2nd Peter.

When I was
on Earth I loved
doing things
for others.

DORCAS
also called
Tabitha

I still spend a lot of my time helping other people. I especially like helping Jesus' children on Earth.

When Jesus came to the city of Jerusalem, all the people came to see Jesus.

I'm sure you've noticed how happy others are when you do something extra nice for them. If you are learning to be more thoughtful and considerate of others and do loving things for people, you can claim the keys of love and ask for my help. I would love that!

Nice things you can do for others:

- ♥ Make someone's bed, or sweep / vacuum their floor.
- ♥ Set the table extra nice.
- ♥ Serve a meal for others, like a waiter or waitress does in a restaurant.
- ♥ Receive a prophecy for someone.
- ♥ Draw a picture for someone and include a key promise.
- ♥ Pray for someone who comes to mind.
- ♥ Give someone a big hug when they aren't expecting it.
- ♥ Be appreciative and thankful of others by telling them how much you love them and are thankful for all that they do.

You can read about Dorcas in Acts 9:36-42.

I'm sure you know what it's like to be so sick that you have to stay in bed.

It's especially difficult when you hear other children playing and having fun outside or in another room.

Ծաւրոսի daughter

That's how it was for me when I would get sick. I loved to run and jump and play, and when I was sick and told to stay in bed or in my bedroom, it was difficult for me.

After Jesus healed me, I learned how much Jesus loved me, and that helped me to be more positive and happy even when I got sick.

If you need help to be positive and happy even while you're sick, claim the keys of happiness and positiveness, and ask me to come to cheer you up and see the positive.

We can talk together and count our blessings!

You can find the story about the healing of Jairus's daughter in Mark 5:22-24, 35-43 and Luke 8:41-42, 49-55.

Faith is a very important part of living for Jesus.

But, Jesus, he's a Roman soldier!

Your servant is healed.

Thomas
the Apostle

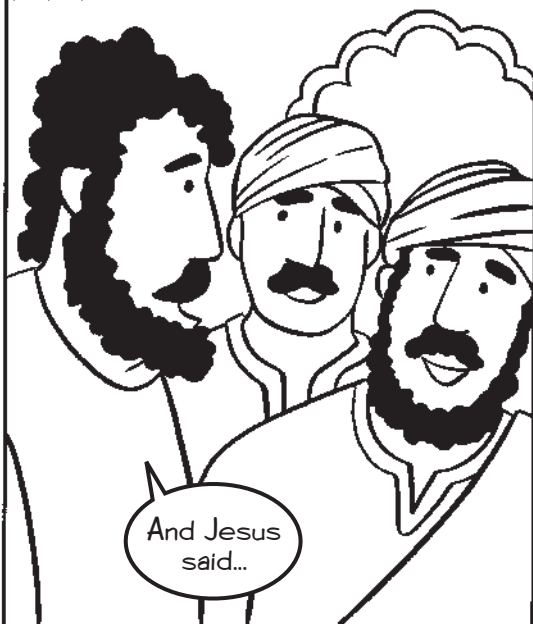

You need faith to believe what Jesus says and to act on His Words.

In the past, I was sometimes referred to as “doubting Thomas,” because I didn’t believe that the other disciples had seen Jesus until I saw Him for myself and felt the holes the nail had left in His hands.

But I learned the importance of having faith, and I stopped doubting.

Now, thanks to Jesus and His Word, I am full of faith! I have absolute faith that Jesus is going to work all things out for good, even when things seem to be going wrong.

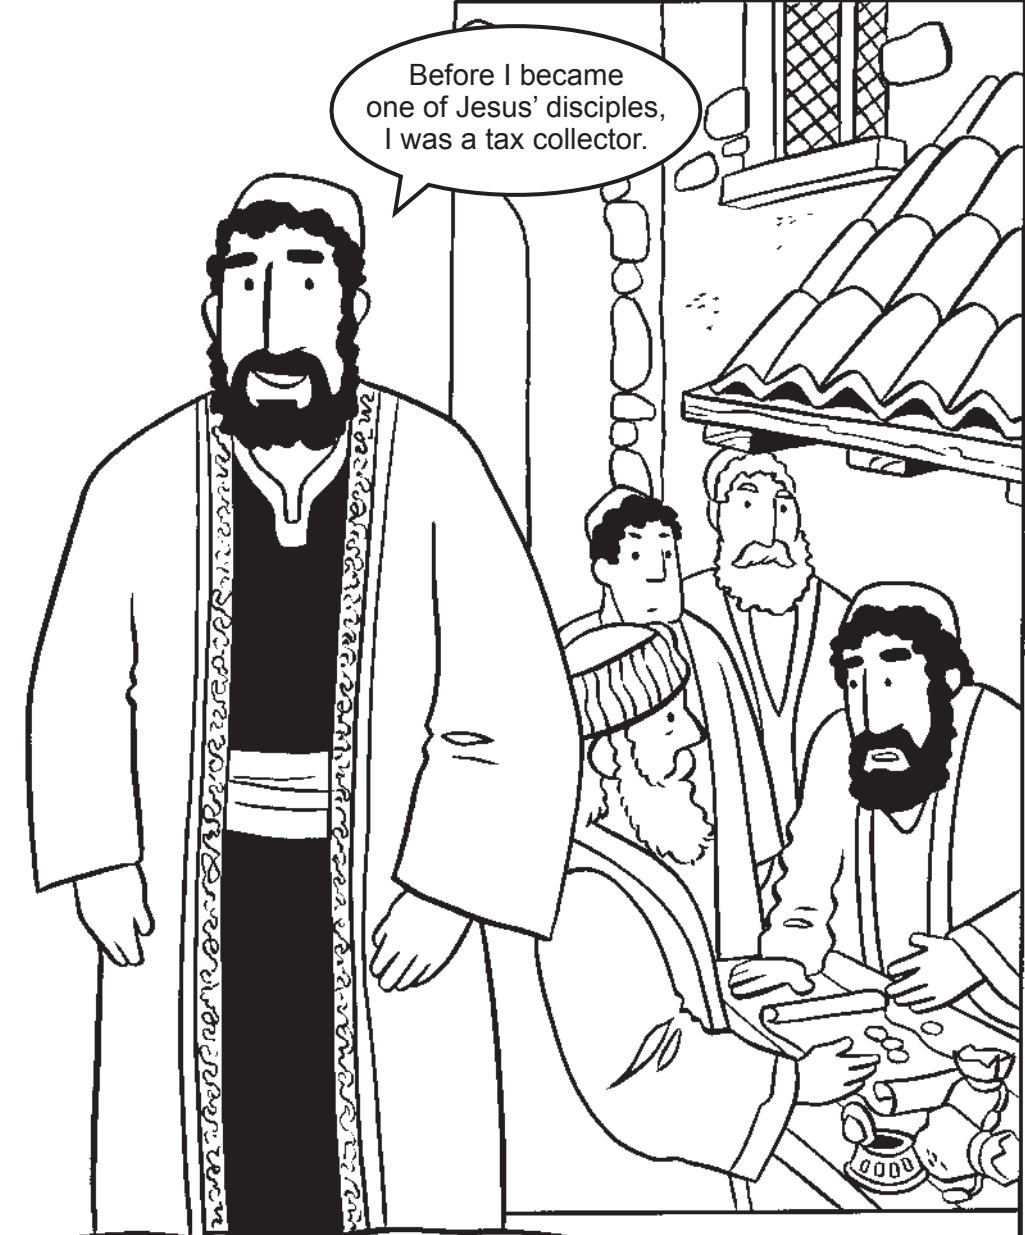

I love watching the Family on Earth. Whenever I see that one of you is not sure if you have faith to do something Jesus asks you to do, I like to remind you to call on the keys of faith.

Do you sometimes need more faith to do something for Jesus? Whenever that happens, you can ask me, and I'll be by your side ready to help you. And remember, faith comes through studying the Word. Also, as you use the keys of faith, your faith will increase!

There are stories told (not in the Bible) about how Thomas went as a missionary to Syria, Persia, and even as far as India. That took faith!

Read John 20:19-29.

Before I became
one of Jesus' disciples,
I was a tax collector.

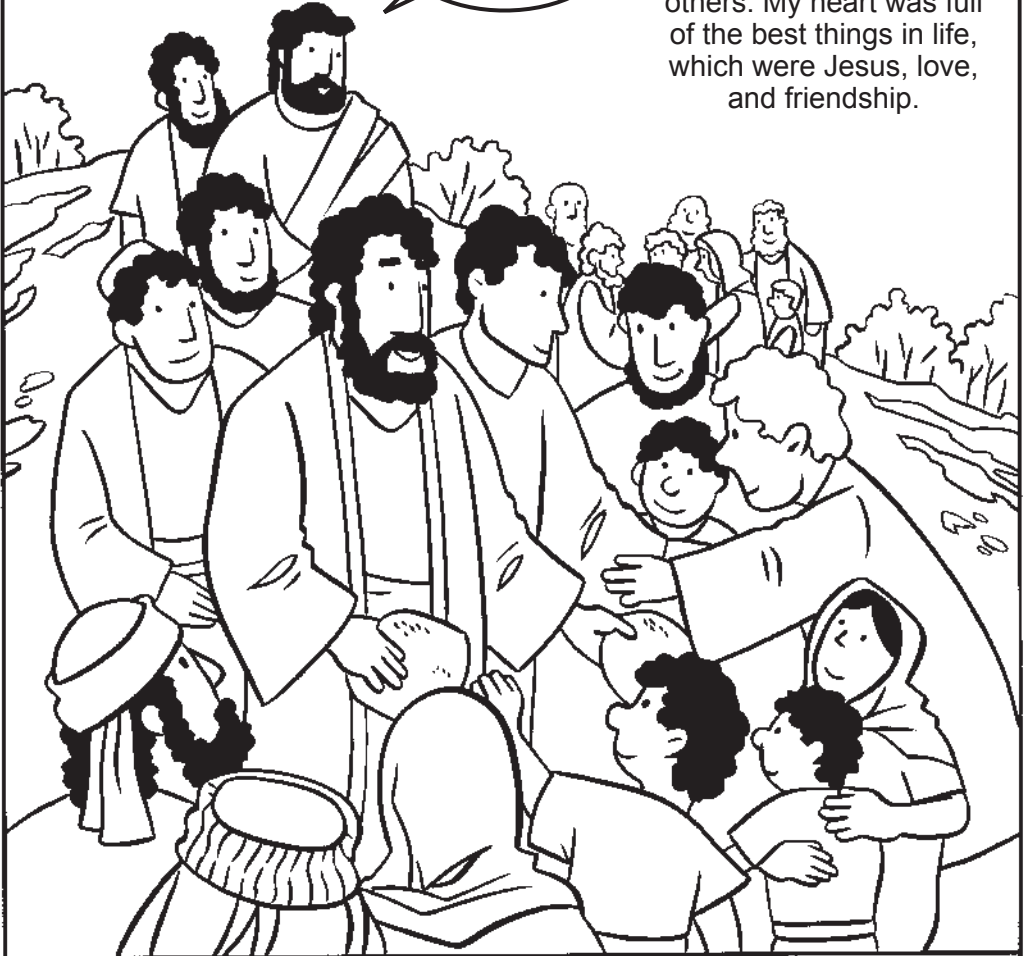

Matthew
the Apostle

As a tax collector I always
had extra money that I would
use to buy things to try to
make me happy, and yet I
was still sad and lonely.

It was when I stopped being a tax collector and started living with Jesus that I found happiness.

Matthew is a changed man!

With Jesus and the other disciples I had the fellowship of close and dear friends. I learned how happiness comes to those who do things for others. My heart was full of the best things in life, which were Jesus, love, and friendship.

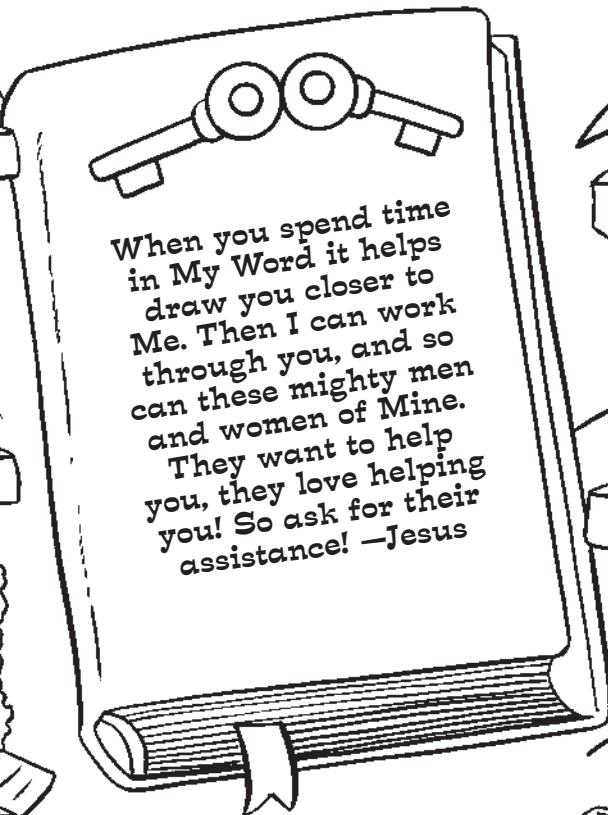

I want to help you find the true happiness that comes from spending time with Jesus and with those who love Jesus. Whenever you need help to get to know someone better, ask me for help.

With the keys of friendship I will help you build close and loving friendships with those you live with.

Read how Matthew quit his job of being a tax collector and followed Jesus in Matthew 9:9. Matthew also wrote one of the Gospels, which is named after him.

Jesus: The spirit helpers who spoke in this *MLK* are only a few of My many mighty spirit helpers from the Bible days who wish to help you.

You can get to know My other Bible saints too. Read about them, and ask different ones who lived in Bible times to speak to you in prophecy. Then you'll be able to ask them to help you with their special gifts, too!

Through the keys I give your spirit helpers greater power to help you.
