# Disciples for Jesus!

I need you  
to show Me to  
the world!

Be a  
Witness!

I need you to be My **dedicated disciples** who will help win many souls to My Kingdom.

Sharon is the one who taught me about Jesus.

Really? Sharon prayed with me to receive Jesus too!

Then when I return to Earth, there will be many happy, saved people for Me to bring back to Heaven.

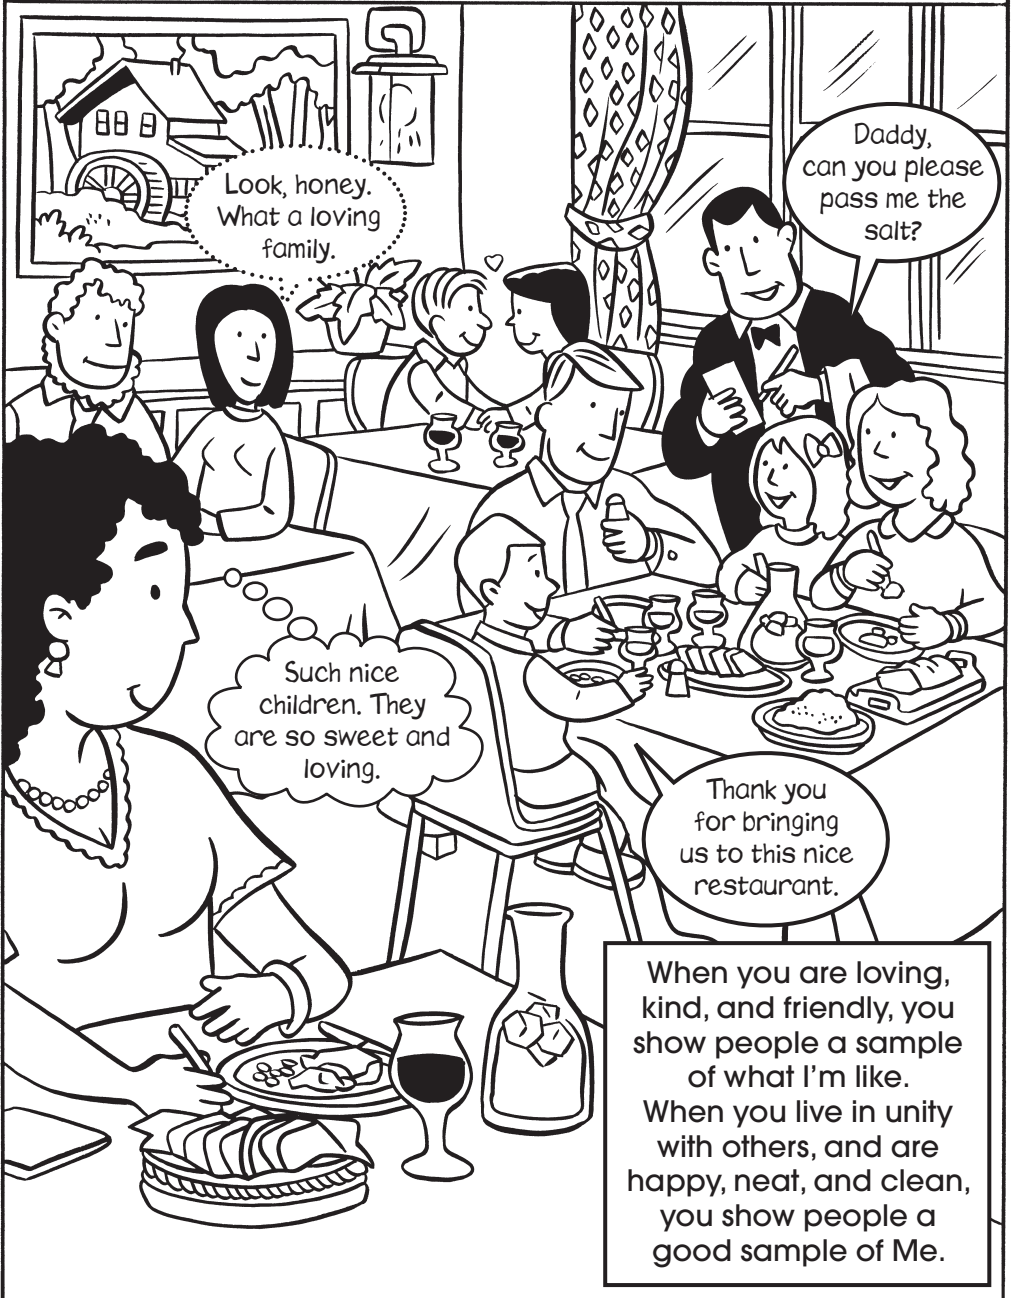

You can show Jesus' love to your little brother by sharing your toys with him.

My Word trains you to be strong disciples.

Your parents and teachers also train you in discipleship. They teach you to show Me to others through the way you live.

A **dedicated disciple** obeys My teachings.

A **dedicated disciple** is a disciple who is happy and eager to do things for Me. As a **dedicated disciple**, you live like I want you to live, and you are a good example to the world of what I am like.

Many people in the world don't believe in Me and My Word, but you do.

Thank you, sir, for helping us every week. God bless you!

Here is the latest Activated magazine for you to read.

I never thought much about God before. But seeing how thankful and happy these Family members are makes me want to know God too.

Yes, I feel the same. Let's read this magazine and learn more about Jesus.

That's why I need you to show people that My Word is true.

When people see that My Word makes you happy and gives you good lives full of love, it helps them want to have My Word too.

Read "My Buttercup,"  
MLK #174.

When you tell people about Me, some people will believe what you say, and others won't believe you. When you meet someone who doesn't believe what you tell them about Me, don't be discouraged.

I don't want to hear about God.

He's not interested. Let's find some people who want to hear about Jesus.

This is for you!

What is it, Daddy?

Keep looking for the ones who will believe in Me, so that you can tell them more about Me.

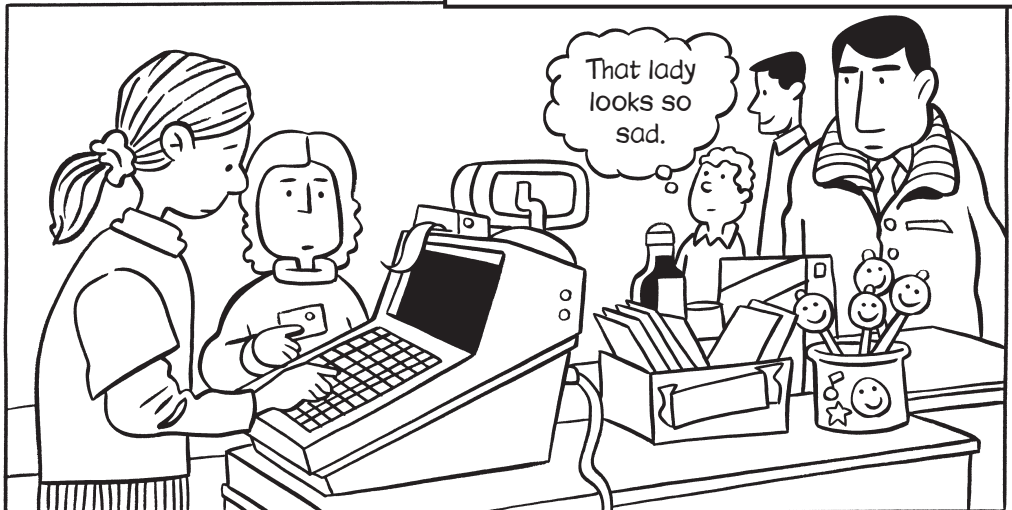

It's important for you to be a faithful witness of My love to everyone you meet. That's the calling I have given each Family member. This is a "high calling"—a very important and honored job!

Most people in the world don't follow Me or My teachings in the Word.

Many people live for themselves and think only about themselves, but that never brings lasting happiness.

When you tell people about Me, if they receive Me into their hearts, I will teach them how to love and care for others.

Hello! This is a message for you. Jesus loves you!

A week later while witnessing door to door:

I recognize you! You are the sweet boy who gave me the tract.

I read it and asked Jesus into my heart. Now I am so happy I want to tell others about Jesus too.

Here's something that will help you. It's a magazine called *Activated*.

Then they can experience the happiness that comes from knowing Me and helping others.

There are many well-off people who have more than enough food to eat, clean water to drink, nice clothes to wear, and a nice house to live in.

But there are also a lot of poor people in the world who don't have enough food to eat, clean water to drink, nice clothes to wear, or proper houses to live in.

Everyone needs Me in order to have a better life.

Both the poor and the well-off are often sad and lonely, because they don't know much about Me. But I love them all and want to take care of them.

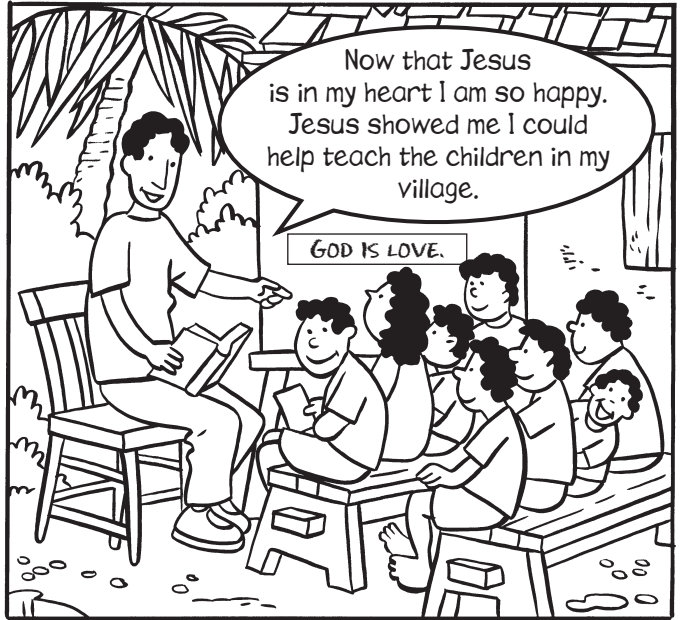

It is important for you to tell everybody—both the poor and the well-off—about Me, and how they can ask Me into their heart.

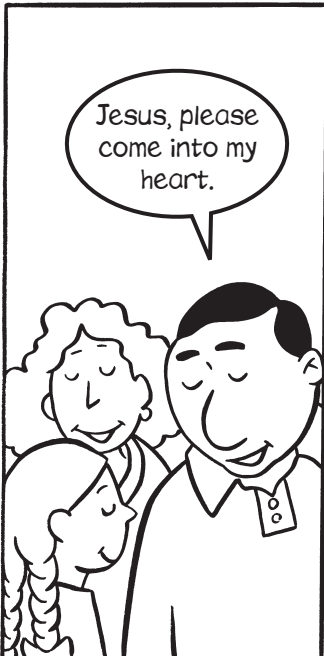

People sometimes think that if they had lots of money, then they would be happy. But most of the well-off people, who have plenty of things, aren't happy because they don't know Me, and they don't help other people.

If they learn about Me and receive Me, then they can be happy. And if they learn to help other people, that will help them be even happier.

I am able to help both the well-off people and the poor people. After they have received Me, I can show them how to have a better life.

As a dedicated disciple you can be a **big** help to Me, because many people can get to know Me through you.

You are My gift of hope and love to the people in the world. You can show Me to the world through your example and witness!
