PROMISES: - (8- PROPHECIES! - Rec'd in our early days from '66 to '69 - Old Goldlips!  
 It'll encourage your faith to see how marvelously they have nearly all been fulfilled! Hallelujah! Typed by my own hands! - 10/19/81)

1900, on the Ranch in Texas, by Grandmother: There is for me an angel, a mediator, and even now he wrestles for me: To the one called David by Divine anointing, It has been given thee to perceive the number of years, which will pass before the end of desolations..the power now to perceive the meaning of these things. O man, greatly beloved, fear not: peace be unto thee, be strong. Fear not, though great seems the delay, Michael shall overcome the Prince of that kingdom and he shall be defeated. The vision is for an accepted time..the pain of uncertainty shall be relieved and thy ways shall become settled as never before..the iron bands broken. Go forward--I, God, am at the controls and these little creatures move at my behest. (Picture: Battle in the heavens with God at the controls of the Universe!)

Jane: I am leading David now as never before--thou shalt see greater victories. (Fall, 1908).

I have preserved thee and thy family for this hour..thou shalt bring many to righteousness in time of travail. Trust in me for all thy needs, and they shall be provided without thy help.

Faith, for David, Fall 1967: My son is chosen with an anointing for this work. He shall not fail. I am still extending my mercy to some areas. Through Me you can do anything. Look up, My servant David, be strong, for I am with thee in mighty power. Ye have done well. I am pleased. By faith all of your need is already supplied.

Grandmother, on the Ranch, Summer or Fall 1966 or 1967: To David: I have made thee a sharp-toothed threshing instrument (flail) which shall rip with violence the pillows from under the arms of them which sit at ease in Zion (the Church), and thy tongue and thy pen shall bring much persecution to thee and to thy loved ones. To Paul: I have made thee like a thumb thrust out and different from the others--an iconoclast (idol-smasher). For Faith: She sings and speaks with authority. For Jonathan: He and his armorbearers have disclosed themselves to the Philistines (theworld challenged in witnessing), and the Hebrews (Church) have crawled out of their holes and questioned him: "Who art thou, whence camest thou and what is thy doctring?"--Thou shalt go up to the help of the mighty and bring him reinforcements (Jonathan).

Grandmother, Huntington Beach, Jan. 1968: Ps. 68:9-12: "Thou, God, didst send a plentiful rain,

whereby thou didst confirm thine inheritance: when it was weary. Thy congregation hath dwelt therein: thou, O God, hast prepared of thy goodness for the poor. The Lord gave the word: great was the company of those that published it. Kings of armies did flee apace, and she that tarried at home divided the spoil. Though ye have lien among the pots, yet shall ye be as the wings of a dove covered with silver, and her feathers with yellow gold." Just before her death in March: T'ous: Though thou art only gleaning now, when the rod of My judgment falls upon this Nation, thou shalt reap a mighty harvest.

TO DAVID by Paul 6-18-69, Pensacola: Thou shalt see greater things than these that you may marvel..He setteth the poor (hippies) on high from affliction and maketh them families like a flock..Thy wife shall be as a fruitful vine, thy children like olive plants round thy table.. 2 Sam. 6:12: David brings back the ark of God, symbolizing His presence and power, in a very unorthodox and seemingly disgraceful manner, dancing and exposing himself shockingly to the young maidens of Israel (New Wife, new church), and criticized and condemned for his behavior by his wife, Mihal (old wife, old church), for which she is struck barren by the Lord, as David says: It was before the Lord (or for God), ~~which chose me~~ which chose me before thy father, and before all his house (or you, old wife, old church), to appoint me ruler over the people of the Lord, over Israel: therefore will I play before the Lord! And I will yet be more vile than thus (more shocking), and will be base in mine own sight (more disgraced and rejected)..and of the maidservants (new church) had in honor. (As though this is nothing to what's going to happen in the future.) Job 28:7: There is a path which the vultures eye hath not seen (something new, different), --a new way He has reserved only for us.

JANE, MARIA & DAVID, Cruiser, Wash.D.C., 7/13/69: Even as unto Jambrew that withstood Moses in the wilderness (2Tim. 3:8), so shall it be to them that withstand mine anointed..As Daniel of old, I am with you and will reveal unto you the number of years and even the number of days unto the things which are to come.

honor the king and give thanks, for I can turn his heart..all this is mine to give to whom I will.. Look not to him, but to me, be faithful and diligent, obedient to Me & fear not the King's wrath.

Re Laurentide: Leave only a token force to please the king, defy him not openly, flee not until my time..I have not yet prepared thy Cave of Adullam..please the king..This place shall be left desolate for the unworthy prince..His father weepeth over him, but he shall not return unto him, but both shall die in battle and the territory left to the enemy when I am through with thee here.

The teacher of babes shall stay with his queen..Jeshua shall know, he shall order the flocks, Re MONTREAL: I have much people there..they shall turn unto thee until not room to hold them.. I shall enlarge thy borders, a refuge, until thou shalt lead them forth as Jeshua unto the place, the promised land I am preparing..Thy wife shall return unto thee quickly..Thou and thy queen, Oh Jeshua, are the ones to do this work in this great city, you must command these forces..as a flame of fire..the flames of thy prophets shall consume and devour and many shall fall down slain, for I shall give thee a great victory.

Re DORION: Bring up Jenathan..capture the castle for my use to be filled with my men..Jenathan a chief with them in that palace..for thou shalt have many men..do it quickly..thine to use..lambs and babes are seen to be moved to the palace..Jenathan shall not go by the way of the prairie, but he is needed here quickly while the king is in the mood..bring his chariot and the queen of this place, and these forces that shall return immediately..You shall depart as David, but not yet.

MIAMI: Pull back these forces that have lost their battle through disobedience..I have need of them where a rent has been made in thy flanks because of Agag and disobedience..They that disobey shall come to despair..There was covetousness among them..this is not a time to think of houses.. My kingdom is at hand, run..touch not the despised thing..men more valuable than their possessions.. My advocate should leave soon, for Jezebel is very strong and he is in grave danger and must flee lest he be smitten..and placed where he cannot be of help, for they are risen up against him..I have yet much sheep there..Sir Robert shall remain and his men..and I shall provide a place.

TEXAS: A rent has been made in thy flanks because of Agag and disobedience..That other chariot shall bear thy queen and thy mighty men unto the land where the rent has been made by Agag..Thy queen shall take my advocate, Paul, James and his queen in the little red chariot unto thy steward..to teach these to obey..And there shall be a great breaking and clamorous battle with loud noise and clashing of swords, and thy mighty men shall stand on thy part..I have not yet prepared thy Cave of Adullam, for I must turn the heart of another king, but it shall surely come when I have accomplished my will in this place..Go not out before my time..yet much work here..help Jeshua.. Go in my time to that son and daughter in thy command post..rescue them not prematurely..until thou art desperately needed and they beg thee to come..Then they shall need thee to bring them into the

place in the wilderness..not yet..Come before Winter, bring thy things, thou shalt not return to this place..thy king shall finish here..Prepare a place for them to winter..replace them that broke

NEW YORK AND WASHINGTON: Let thy men go forth to the battle..take all weapons and chariots..it will take longer than they surmise, and they shall not return..They shall march around that camp as Gideon, till they think and army hath besieged them and become confused..Wear that I did command thee, robes red as with the blood of my judgments, sackcloth, and the red of judgment in thy hand.. If thou obey, I will go with thee and will conquer, but if thou disobey in the least, thou shalt be defeated and return with shame..(Leis & baby?)--What if I will be born in battle..thou must be prepared for such things if thy women go with thee..he shall be called Zerubbabel, born in battle, a forerunner of things to come, when thou shalt have none beside Me..A great invasion which shall require many forces in the cities to the south, the city of merchandise and city of kings..a final warning before my judgments fall..thy forces shall join there to perform that which I have designed to do..the whirlwind and in the power of my spirit and fury of my face and take the city of kings by storm and testify before judges, magistrates and kings and receive much persecution.

LEON AND OREGON: Leon loveth thee as a father, and doth conceal his need..Send unto him these that have the desire I have placed in their hearts, to help him, bring him news of my commandments.. He shall rejoice, and they too shall be clothed as I have commanded..send a band before winter.. they shall know who they are, and Jeshua shall cheer..one here hath long had strong desire..I will care for them and bring them hence in due season, and his place shall be one of the refuges for my church in the wilderness, but he needs help to prepare it, for this thing is of me, for these of thy flock in times past (on West Coast fleeing destruction) shall be gathered unto him for refuge.

TONY: I am very angry with thee, for thou hast caused my prophets to err..Therefore shall thy house be desolate, thy things taken, thy loved ones stripped from thee..for thou wast rebellious against my leaders and didst think thou wast somewhat..thou shalt be led by the hand as the little child thou art until thou dost learn to follow and have nothing until I see fit..Paul hath suffered for his own disobedience and because thou didst take command and lead these astray, thou a novice.. That voice in the wood was not my voice, when thou didst unlawfully separate thyself from disciples..Behold how the mighty are fallen..Beware of covetousness, God only shalt thou serve..Humble thyself

NO DAVID: It is I that shew thee these things, the pictures are of me..Speak as the oracles of God..All things I have shewed thee have come to pass, even as I gave the pictures regarding the city to the south, therefore thou wast also to blame for thou didst not warn them it was of me..

I have given thee this Aaren and that Miriam because thou hast refused to speak, but now Aaren shall die and Miriam be buried and thou must speak as the voice of God..

Thou shalt be more vile also and expose thyself that I may be glorified and no flesh glorify.. Thou shalt be despised that I may be glorified.. But thy mighty men shall not fail thee, even Jeat and Hushai.. But there shall be those that curse thee, saying, How are the mighty fallen, and the little pebble from the summit of the rocks, and the kingdom shall be rent from thee for awhile by those that already despise thee in their hearts and shall say, See, this is the thing which he hath done that doth prove that of which we have accused him.. But I will smite them and stop their mouths and remove them and the kingdom shall be returned unto thee.. Shimei shall curse thee, and Deeg the traitor, a liar, shall come unto thee.. Thou shalt bear it for thou art nothing.. I shall preserve thee and thy most loyal men, but even some of thy sons shall depart from thee and seek to take the kingdom.. for that which seemeth wrong unto man shall glorify me, that no flesh may glory in my presence.. I put down whom I will and set up thee to be ruler, take from thee and return unto thee.. And when they shall call thee in desperation and forgive thee, the latter end shall be greater than the former, and by this shall I purify the kingdom, and it shall be revealed who are thine enemies.. The Division, The Division.. for I shall purge the kingdom of them that will not follow nor obey and flaunt themselves against thee saying, Hath not God spoken through us? Are we not prophets?—How then shall Moses do this thing?

TO NEW YORK TEAM AT MONTREAL: Miguel: Man in red robe, staff, beard, preaching madly for shortness of time.. Lela: Jerusalem, thousands panic-stricken, Hap a giant in the midst of them, Temple in background, Hap with red of iron using tremendous power.. Kim: Black hands on Kathy.. Lynette: To Miguel: Shepherd Miguel, you cannot leave.. wolves are seeking the sheep.. when shepherd gone.. watch the flock. 8/18/69 David Rugely: Where the Big Tree toppled, it falls in grace and glory, many little trees spring up.. David gather your stones.

LAURENTIDE 8/18/69: To Lynette: Daughter thou shalt be a helpmeet unto this one I have chosen.. I have revealed it unto thy father and husband.. for my glory.. As the honey bee and the blessing. 8/19/69 To Bob Davis: As to Peter in a vision I did show thee not to be bound by the system. As Simeon, thine eyes have beheld the glory of the Lord. As Baruch the scribe of Jeremiah, to write down the messages in a book... weapon like flaming sword in your hand to set hearts on fire. As Caleb, one of the few members of the elder generation to pass into the promised land with young.
