

# TRUE KOMIX

The Illustrated Letters of  
Father David  
The Love of God

DEDICATED TO OUR LOVING FFERS!

God bless you! Here you have it---a True Komix Volume of nothing but FF and Sex Letters!---536 pages of beautifully-illustrated fishing lessons by more than two dozen of our best Artists, several of whom are top FFers themselves! PTL!

We have combined all the FF TKs, and FKs of a highly sexual nature, into this one power-packed Volume even though some of the earlier or later TKs will not be in their normal numerical sequence, rather than having them scattered throughout the Volumes amongst all the non-FFing TKs.

Here then, is the entire illustrated counsel of God on FFing in one handy Volume, and we pray it will be a great blessing and a convenience as you study all the different aspects of this Ministry! It also has the added benefit of extra Security, as, with all the "hot" TKs together in one thin book you can easily cache it in some secure place. ---And you should keep it under lock and key at all times when not in use!

The FF Letters, and these illustrated versions of them, were not designed for children, so we trust that you will exercise wisdom by keeping this Volume out of their reach until they are sufficiently old and mature to digest many of the deep truths it contains! PTL! "A word to the wise is sufficient!"

God bless you as you read, believe and obey this Volume! Jesus said, "Follow Me, and I will make you fishers of men!" Follow Him today! Immortal souls are waiting for you to show them your love, and the love of the Lord!

*— By Hunt Inkletter, World Services Editor of Art.*

*- Amen! GBY! - And thanks to all of you who made this Volume possible! - And you dear F-Fers who put it into practice & make it all possible! (LY!) - D.*
