"love, for me, has taken on a completely different meaning now and means so much more than it used to! We both can't wait for the day we meet you again! Thank you for showing us the way to love! How else can we thank Him than to follow Him!

Thank you for delivering me from the brink of the Pit, the scrambling out of which is just impossible except by a miracle! It's really a privilege to be with Becky and to share your love through her!

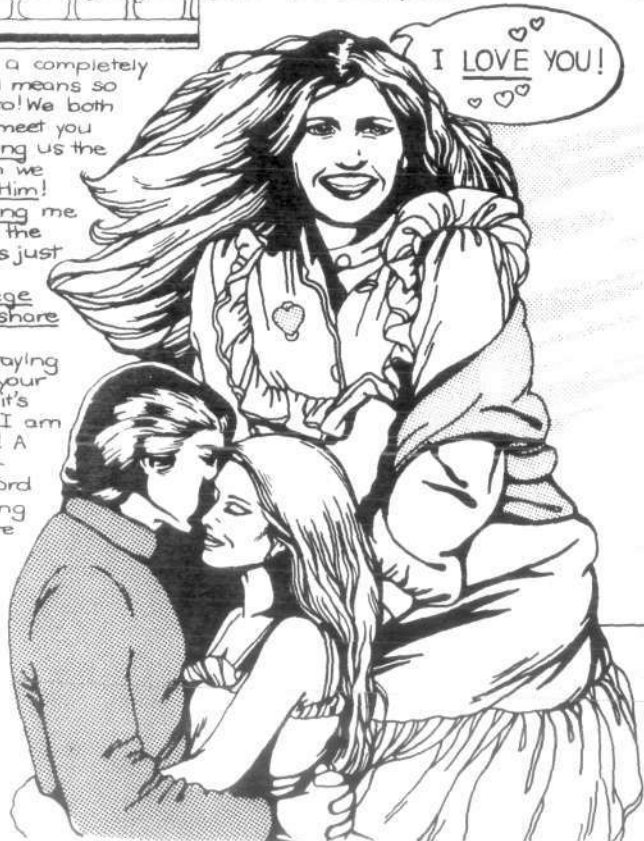

Becky and I are praying for the baby on the 18th, your birthday, and we know if it's the Lord's will, it will be. I am really excited! --- A child! A baby! A new life! A God-given miracle! How the Lord trusts us with His offspring and how unworthy we are to deserve it! It really amazes me how I have grown in nine months! Becky has been mother to two babies at the same time! God bless her! Thank you Lord for the chance to work for Your glory in the world! We love you David and dashing Maria! ---

I love you both so much!!! --- Arthur.

♥ Dearest Dad & Maria! (From Arthur)

Winter is here again! My first winter in His service! But I think of you and thank you for your Words of encouragement and love you show to me in your letters! It really is a new life for me with your precious family! Becky is really filling out now and blooming in her new condition! I love her so! It amazes me the way the Lord has worked in my life throughout the years and given me so many of the ideas and feelings about life that I read in your letters.

We all, Becky, Gabriel, Sharon and I went to see my folks on Christmas Day and were really received well. Just look what you two flirty fishies did for me! Thank you so much! The word

Dearest Dad & Maria,

Wow! Wow! Wow!
I'm a Daddy at last! Becky at last delivered 23rd February, 6:55 p.m., after only 9 hours of labour! —
Wow! What a miracle! Well, after 9 months and a few more, the hopes and fears of 15 years came to fruition! Dear, sweet, superb, regal, delicious, delightful, pure, brave, fearless Becky! I love her so! She is my life's dream! Becky was so happy! My God! He's really beautiful! When I see Becky put the baby to her breast, I go weak at the knees. I love her so!

THANK YOU

PRECIOUS GIFT OF
YOUR LOVE!!

♡
PRAISE
GOD... YOU'RE
SO PRECIOUS
AND SWEET..
I LOVE YOU!
♡

She has given me everything in her life that it is possible to give — her world, her love, her family, her fellowship, her counsel, and her support so willingly, so unreservedly, that it makes me weep in secret sometimes to see someone with so much faith in me as to drag me from the edge of the pit and save me through the love of Jesus! Words fail me!

♡ I LOVE YOU ♡
HONEY! ♡

Do you know, I feel so much a part of this family, it's hard to believe I have just met you all! My whole mental structure has a different nucleus now. My reason for being here and breathing this life's air is now so clear to me, I wonder why I never understood before. Thankyou for giving me Jesus! As you said, that was all you had to give, and all I needed! I draw and feed so much on your letters involving situations we are trusted to share in, and I am really learning more about myself by reading them and putting myself in these situations! I love you so much! I will tell you face-to-face and you will see!

What a love-story! What love-stories! --- Jesus' love for us, your love for me, and my love for you! Love, Ahhh!
Love as ever, forever ---
Arthur.

Dearest Dad, (From Becky)

Where do I begin to thank-you, David, for all that you have done? I just want to love Jesus and stay so close to Him that I will never fail Him or you. And I really do feel God is working in my life, and it is so exciting! I know God has made Arthur and me a real united team.

KEEP
ME EVER CLOSE
TO THEE,
LORD!

Dearest David, Maria and all,
