--OR THE MINISTRY OF SANCTIFICATION!

I'm  
going out to do  
the ministry of  
sanctification!

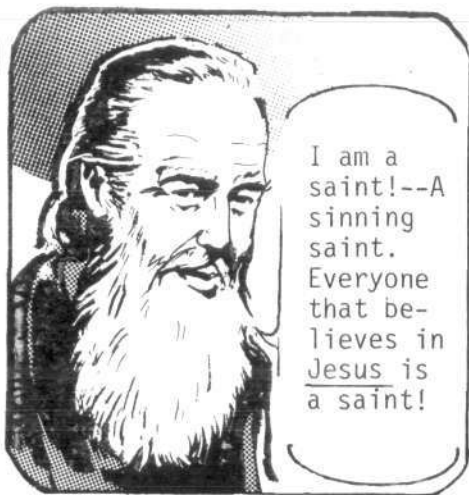

I'm  
staying home  
to do the  
ministry of  
sanctification!

**-WHAT IS  
YOUR  
MINISTRY  
OF  
SANCTIFICATION?**

**-DO YOU  
WASH  
SOULS!**

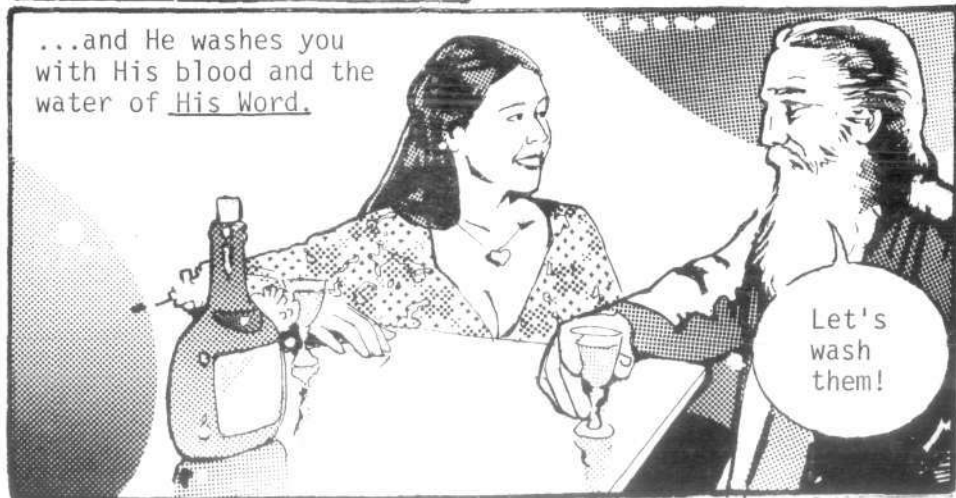

Edited & Illustrated by Michael Christian.

"Saint" comes from the same root word as "sanctified." It means to be cleansed and separated and set aside for further use.

Maybe this will help you folks that wash the dishes every night. Do you know what you're doing?--You're sanctifying the dishes! That's the way Jesus does with you: He takes you, dirty as you are with sin...

Yes, I will  
gladly show  
you the Love  
of Jesus. I  
love you!

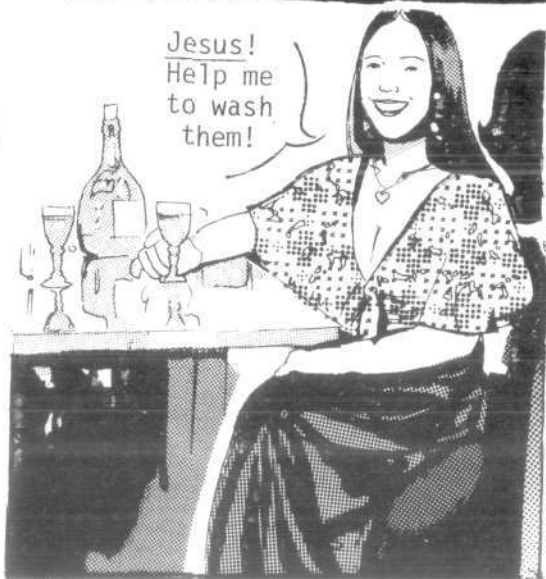

Every mother knows what this is as she takes care of a little baby: to make the baby clean she has to get dirty, right!

Jesus was willing to do it for you, so why shouldn't you be willing to do it for them? God's Word says we are made "partakers of His sufferings." Jesus had to soil Himself so that we could be made clean, think of it!

(1 Pe. 4:13)

-Why not you?

Jesus!  
Help me  
to wash  
them!

He  
bare all  
things!

Jesus  
washed  
me!

That's what Jesus had to  
do! He even hung naked  
on the cross for you! You  
are engaged in the minis-  
try of Christ, stooping  
to conquer & sanctify souls!

Every time you wash  
a dish just think,  
"Thank You, Jesus!  
This is what You  
did for me, Jesus!"

"You did this for me,  
Lord. You got Your hands  
dirty too, so You could  
wash me and make me  
clean. Thank You, Lord!"  
I love you!--DO DIRTY  
DISHES DAILY! Amen!?  
God bless you!
