# NUNS OF LOVE!

What do you think we should do with these guys that want to marry our girls?

Well, a lot is up to the girl and the man and the kind of relationship they have, how strong, how far, what will glorify God, and help His Work and help someone else.

But there's no attachment too strong to break for God and His purposes.

That's right. One thing these fellows have got to understand is that our girls are free. -- not theirs exclusively. God and His Family come first. We'll see how much they're won when we go F-Fing again.

What all our friends need to know is that with us, God and His Family come first. They are your life and work and family. If you have any time left for your lovers, they'll have to be thankful for what they can get -- maybe not much more than they are getting already.

You are free! You do not belong to them, you are not theirs exclusively. You belong to God and to His work, and if they are willing to continue a lovers' relationship and take whatever they can get...

--And thank God for it!

Yes. Then our girls should be able to do whatever they can to help them, even to the point of spending a good deal of time with them. But they've got to make it clear to these men and say...

...I'm sorry, but I'm devoted too much to my family to ever imprison myself exclusively to just one man.

My first love is  
God and the Family  
and my work, and I  
would never be happy  
any other way.

We believe in mates,  
but at the same time, we  
believe in sharing. I belong  
to God and the Family and  
others and I must be free  
to do so.

If you want someone  
exclusively for yourself  
alone, there are thousands  
of other girls you can have  
all to yourself -- but they  
don't have what I have.

I'm a Nun of Love, a  
Priestess of Love and  
I live in a swinging  
convent of Nuns of  
Love who are all  
permanently and  
forever married  
to Christ, and can  
never marry another.

We cannot even confine  
ourselves to the brothers  
of the convent. Even they  
must share us as we  
share God's Love with  
the many poor hungry  
souls outside. We  
belong to God and  
serve Him night  
and day.

So what more can I say?  
You're something very special  
and they cannot own you or  
keep you exclusively to  
themselves. You have too  
great a ministry. We are like  
the professionals, except that  
we do it for love and the  
glory of God and not for  
money. So we are a very  
rare breed indeed.

Why do I say "Nuns of Love"?  
Because it takes a special  
dedication and devotion to the  
Lord and love -- like nuns.

So God bless and keep you  
His Brides and His nuns of  
Love forever. Start today!  
Tonight's the night for tons  
of love with His Nuns of  
Love in a life of love with  
the God of Love forever!

Not my will,  
but Thy will  
be done, Lord.

I'm converted,  
sister.
