

THE FF REVOLUTION!

- PART I

--FOR STRONG VOLUNTEERS!
--"THE LORD LOVETH A CHEERFUL GIVER." (2 COR. 9:7)

ART BY EMAN ARTIST AND MARINA
EDITED BY MARINA

In some things we're all like little children. If a child does well and you don't reward him for it, he may get discouraged.

It was very bad to give your wife orders that I did not give, when I wanted her to do all she could to hook him. You've got to leave that final decision up to the bait. She knows what he needs.

Well, I did what Mommy told me to do, but she doesn't even seem to care!

Lord, please, help me to really get Matthew hooked on Your Love tonight!

I've been praying desperately for Matthew that we'd get ahold of him. So if there was ever a time he deserved to be rewarded it was last night, when he did what we told him and came without his friend.

But Honey, you don't need to go to bed with him yet!

Come follow Me and I will make you fishers of men!

Our wives are not our own! --They belong first to the Lord and then to me as their commander-in-chief. So it's not up to you to give her orders contrary to my counsel.

I'm not particularly crazy about Maria going to bed with all these men either. But most of the time I get the victory, I'm the one that tells her I think she should and tries to give her the faith. I don't like my bait arguing with me about it when I've got the bait on the hook and I'm trying to catch a fish!

Thank You, Lord, for giving me the faith to share her with this needy man. Helper to be willing also!

If you want me you need to take Jesus too!

The girls who are Spirit-led are the ones you can really count on. God can give them the most difficult cases. Your wife is like that: she really socks it to them, and she is not going to go to bed with anybody she doesn't want to.

Love conquers

all!

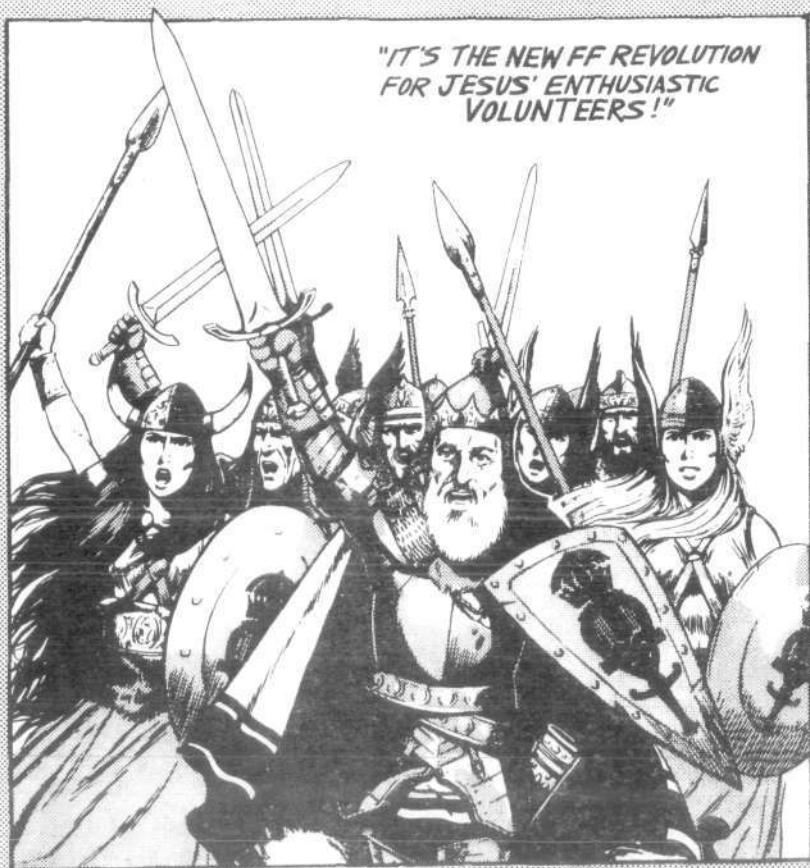

I feel the importance of FF-ing in the Spirit, that we are pioneering a whole new area and a new ministry which is very important, particularly in the opening of whole new closed fields.

Start an FF Revolution
in your area tonight!
