# OUR REPLIES!

When the  
Enemy lies like  
this about you,  
fight back!

## TO THE 62 LIES OF THE LAS PALMAS DAILY OF JULY 8!

Here is an exposure of the 62 lies of El Diario de las Palmas (or the Las Palmas Daily) in their edition of Friday, June 8, 1977, on pages one and eight.

This time our enemies have gone entirely too far in accusing us of the most sordid, heinous and cruel crimes imaginable and unimaginable! On page one they dare to print a picture of two of our precious nurses and our children with a title of: "Market of Children!". — We have never sold one of our children in this entire World!

Our goal is to have children for the glory of God as gifts of God, and to rear and train them in the nurture and admonition of the Lord to live all their lives for His Love and His Glory.

They say that I, David, the spiritual father "have been thrown out of Tenerife." — I have never been thrown out of Tenerife! I left Tenerife voluntarily of my own free will and accord, to take a rest and vacation for my own personal health, free from the harrasment of our vicious lying enemies like this newspaper.

The authorities themselves there, having conducted investigation after investigation, are convinced that we are not guilty of any of these ridiculous charges, and have been apologetic that these lies of our enemies have given occasion to cause any type of investigation whatsoever.

Well, after thoroughly studying this report on the Family of Love, I can find nothing illegal in any of their activities!

They say that these investigations have given "proof" of their accusations. But they have no proof whatsoever for any of these lying accusations! If they have "proof", why don't they produce it? Why don't they show it? Why don't they bring it forth and give it to the police?

They cannot, because it doesn't exist, and they know it! They are simply lying and trying to smear us and our good work for the Lord!

Light Club

They say, "Nobody knows if these girls really know who's behind this organisation." Well, everyone of our girls in the Family know exactly who is behind our organisation, and it's God and His Son Jesus Christ!

They call us "a perfect commercial chain". Well, we may be a chain, a chain of communities, a chain of cooperations, a Family chain of Love throughout the World, but we are certainly not commercial! We do not exist for commercial reasons! We are a religious, philanthropic, educational and charitable Family-- but certainly not commercial! So this is a lie!

What a detestable lie this is, calling us a "detestable commerce"! All I can say is that this article is detestable and its writer is detestable and the newspaper that published it is the one which is engaged in detestable commerce on the basis of such lies!

JULY 8: Our enemies make public their lies about us!

So if you want to know why we have such enemies and why they lie about us, just think about Jesus! All He preached was love, all He tried to do was help people, and did He have enemies? Yes, He surely did! And who were they? They were the enemies of love!

And who are these enemies of love? Well, just look back at the Gospels and see who Jesus' enemies were! They were the leaders of the established religion of His day who hated Him because He exposed their hypocrisy by His Own loving sample!

The same people today are furious because we have exposed them for the hypocrites they are! They themselves are living a lie!— Pretending to be religious, they are totally without God or His Love, "having the form of Godliness, without the power thereof." (II Tim. 3:5) They are surely without the power of His Love, or they would not tell such lies against the innocent!

May God help you to believe the Truth, in Jesus' Name! Amen.
