Christ was our atonement and He bore our sins for us, & we are their atonement before they find the Lord.

Art & Editing: Michael Christian

Maria just asked me a question: "What about the fellows we make love with? Aren't they still under the Mosaic law and committing a sin when they make love with us? Aren't they committing adultery?"

I know we are no longer under the laws of Moses but under the Love Law of Christ. But what about them?

Like Christ was our atonement and He bore our sins for us, we are their atonement before they find the Lord, and in a sense we bear their sins for them which are already forgiven in Christ and therefore by us. Jesus Himself said, "Whosoever sins ye shall remit, they shall be remitted unto them." (John 20:23)

You would have to have a very good reason for not forgiving them! It would almost have to be their total rejection of Christ--rejecting Jesus. This is the only sin which the Lord refuses to forgive, you can't forgive them for that. (Mt.12:31)

NO! I won't receive Jesus!

I can't forgive you for that!

It's not our fault they rejected it, it's their fault.

Everything must be judged from the standpoint of Love. Is it doing good or is it doing evil? Are you helping him or hindering him. "Whatsoever is not of faith is sin". (Ro.14:23)

It is their own personal rejection of Christ which is their own fault! To have been shown the Love of God and resisted it is their greatest sin!

Vicarious atonement: --in a sense you are atoning for their sins. They must take your word for the sermon and the sample. If they receive it by faith in Love, your Love and God's Love, then it's no sin to them. "Happy is he that condemneth not himself in that thing which he alloweth."

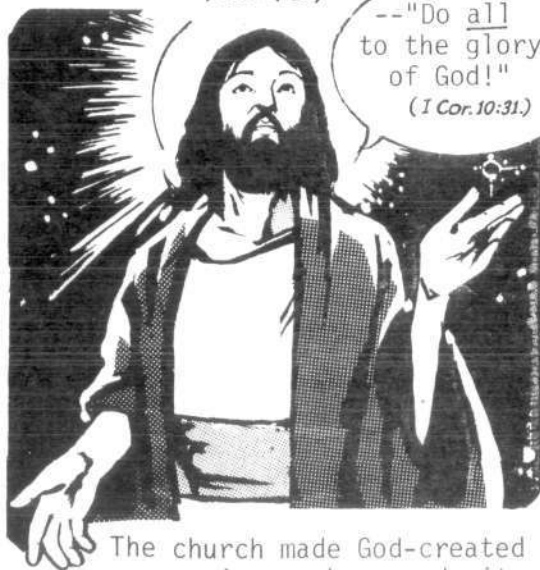

(Rom. 14:22.)

God has offered a pardon to the guilty if they'll receive it.
Thank You, Jesus!

--"Do all to the glory of God!"

(1 Cor. 10:31.)

True love cannot be sin, for God is Love and Love never fails! So how can sex be adultery when given for the Love of God?

The church made God-created sex a sin--we have made it a virtue!--as He Himself intended! Praise God! God bless you with lots of His Love! If you can't find it at home or church, try us! We'll love you! --Amen?
