♪ Love... ♪
knows no
boundaries!

We've got so many girls and so many beautiful girls, that we ought to be able to make the sexiest movies on Earth!

Show'm how the real children of love can do it --- lovingly, tenderly, sweetly, smilingly, and exuding the love of the Lord like you always do! Give us a good sample of how nudity can be beautiful and artistic!

I
LOVE
YOU!

Nudity is truly humbling and the truly humble are the truly loving, and the truly loving are truly humble, because love and humility are virtually the same. You cannot have real genuine love without humility, and you cannot have real humility without a lot of love, and nudity takes humility too!

It's love that you can share!

I love'm, every one of'm!
 I kiss'm, pray for'm! I
 know what courage it
 takes, and what humility
 and a real desire to give
all and bare all, a
 willingness to expose
 yourself completely and
 hide nothing --- no
 hypocrisy, no coverups,
 just the lovely naked
 truth!

Don't be afraid to have your picture
 taken when you're in full bloom,
 blooming with a baby! Women are
 their most beautiful when they're
 pregnant--they virtually glow with
 beauty and health!

♡ COME...
LOVE ME! ♡

There's nothing more
beautiful than the
physical body which
 God created in it's
 natural state,
 especially if it's in
 good condition and
 good shape!
 No reason to
 conceal the beauties
 of God's creation
 that glorify the Lord
 and His handiwork.
 God created you to
 be beautiful and gave
 every one of you
 your own beauty.

Shoot me a "Movement with Meaning" show with music to love by! Make love to the Lord if you dance alone- or love to each other! Whatever would look beautiful and soft and pretty.

Thank the Lord for His beautiful sex that He created for our enjoyment and pleasure and all the good it does for us!

-Amen?

I just wish I could make love to you all, and I do everyday the best I can through His Spirit and His Words! So I do love you, and I have stripped my heart bare for you, to show you all I can of my love and my Lord!

Love that begins with you!

I am the love of God for you!

Send me your own gorgeous self, the real you, the beau-teous beauty of your own lovely beautiful sweet selves and precious personalities with His lovelight shining through.
-I'll loooooove you forever!

~ -Thanks! ~
