

Schedules

Schedules are always one of your major problems! The Lord Himself drew up a weekly schedule for us the very first thing after Creation! - "Six days shalt thou labour and on the Seventh, thou shalt rest." - A very good Plan for us all! - God made it! - "Let everything be done decently and in order." (EX.20:9-10; 1COR.14:40)

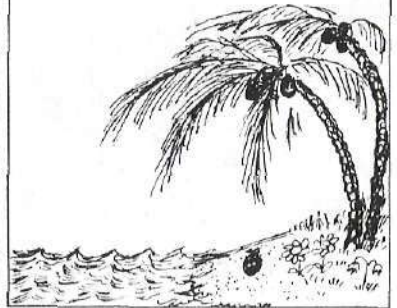

The first day:

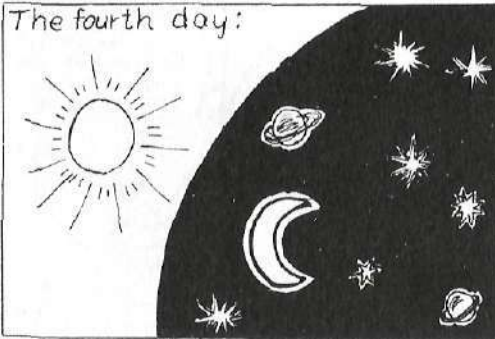

The second day:

The third day:

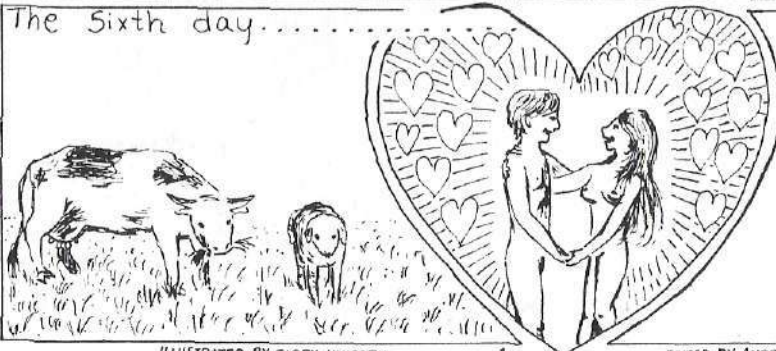

The fourth day:

The fifth day:

The Sixth day.....

God
rested
on
the
Seventh
day.
(Gen. chap.1.+2.)

When we founded our first Little Home of about 12, around 20 years ago, consisting of my family of 6 and about half-a-dozen students, we met with the very same problems on the very first day! - So you are not alone.

Scheduling was a part of the job from the beginning, and we immediately found that the four main schedules we had to work out right away were:

1. The Daily Schedule:

2. The Work Schedule:

This was divided into the number of jobs, the number needed for each job, the hours they would have to work and how to rotate them, so that everybody would be doing his fair share.

Job:	mon-day.	tues-day.	wednes-day.	thurs-day.	fri-day.	Sater-day.
breakfast	John	Julia	Ruth	Peter	John	Julia
dishes	Ruth	Peter	John	Julia	Ruth	Peter
vaccum-cleaning, clean the toilets.	Julia	John	Peter	Ruth	Julia	John
Lunch	Peter	Ruth	Julia	John	Peter	Ruth

make snack	Peter	Ruth	Julia	John	Peter	John
dinner	Julia	John	Peter	Ruth	John	Julia

3. The Teaching and Class Schedule:

When to have classes, how many hours daily, what days, what classes and by what teachers and taken by what students!

4. The Witnessing Schedule:

Last, but first in importance, was the witnessing schedule, which had to specify what days, what times and where to witness.

- I can only tell you what I know regarding our own personal experiences with schedules, and anything beyond that I can only counsel and advise you and you will have to "work out your own Salvation with fear and trembling!"

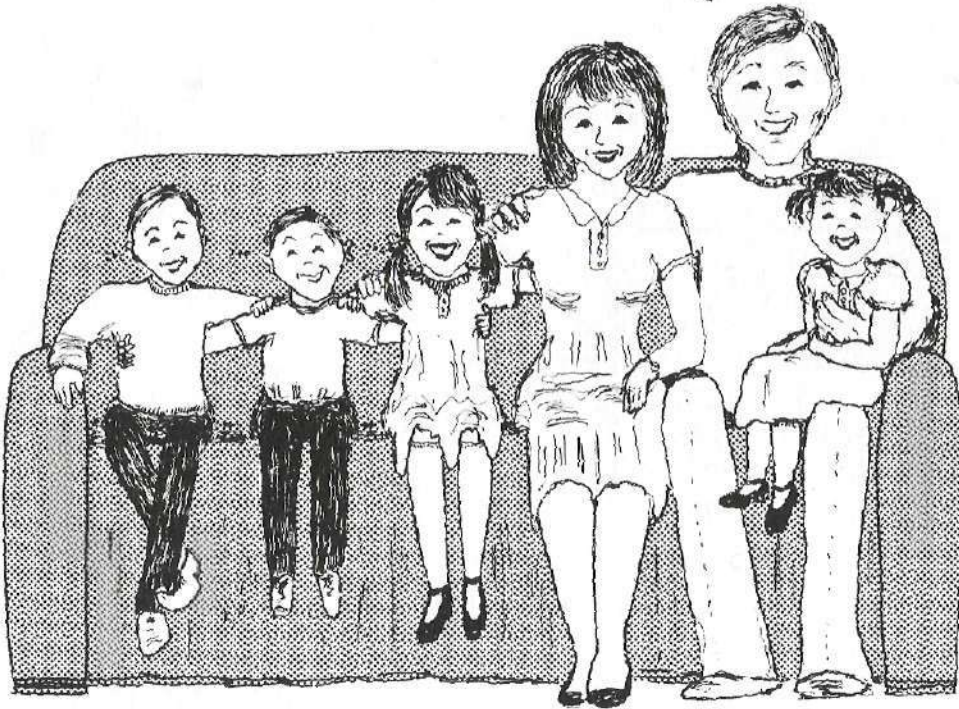

It began with our own first Little Home, and our pitiful little half-a-dozen - Me and Mom and the kids and a few motley disciples to use as an example, which may help the smallest Home of you.

You don't have to follow this schedule, but I'm just telling you how we did it.

God bless you
with a happy working
schedule!
