# LEBANON!

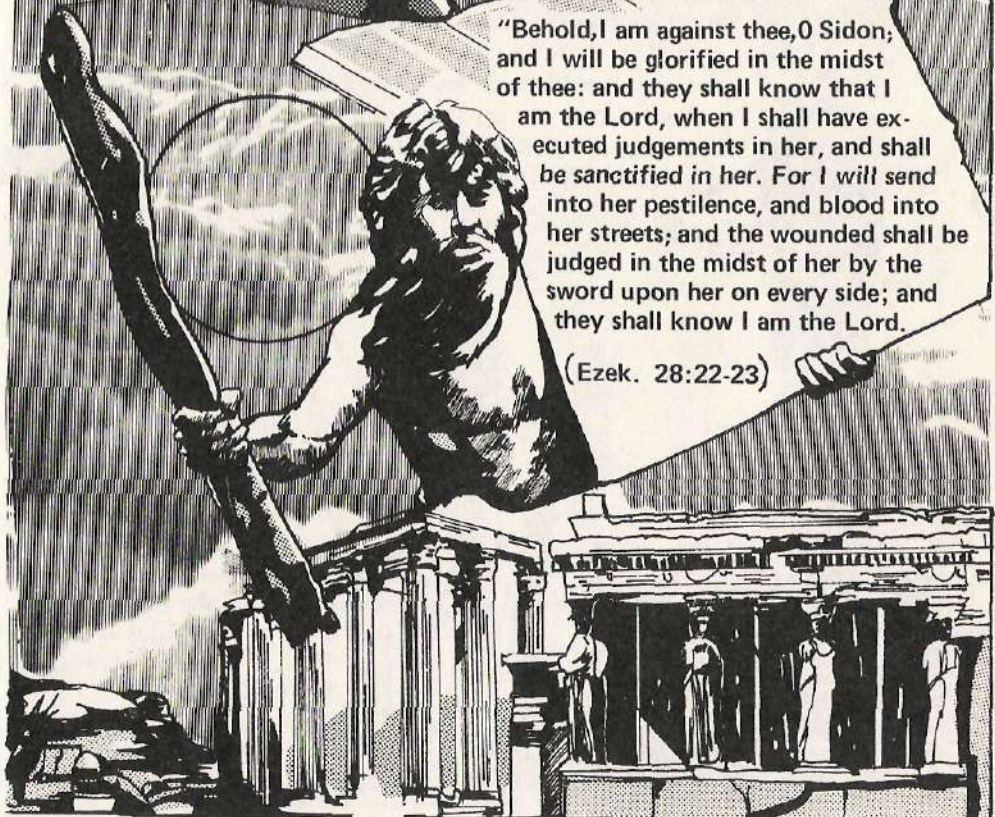

I was just hearing about their outbreak of violence again in Lebanon. I was wondering why they've always had so much trouble, when I remembered the prophecy regarding its old capital which was to suffer total destruction and be completely wiped out! -Tyre.

*And of Sidon:*

"Behold, I am against thee, O Sidon; and I will be glorified in the midst of thee: and they shall know that I am the Lord, when I shall have executed judgements in her, and shall be sanctified in her. For I will send into her pestilence, and blood into her streets; and the wounded shall be judged in the midst of her by the sword upon her on every side; and they shall know I am the Lord.

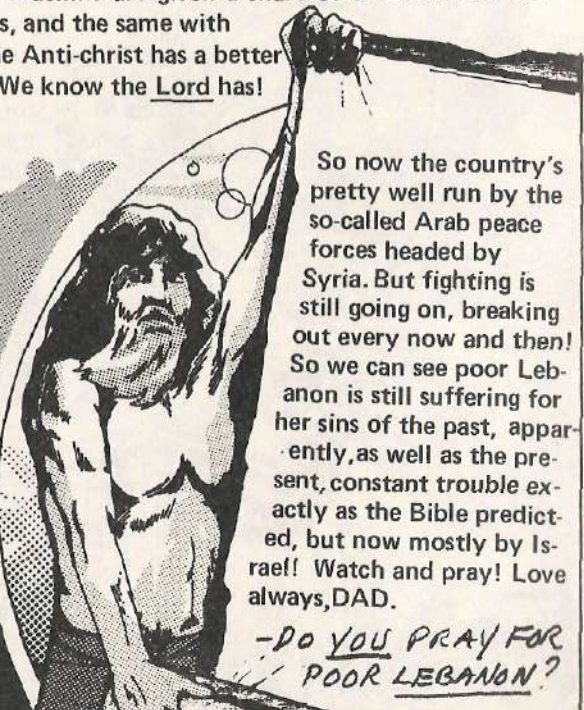

(Ezek. 28:22-23)

Sidon was the ancient alternative capital, not far south of Beirut, now called Saïda, to which the Lord had promised perpetual desolations and wars and that the sword would not depart from her streets. I guess that's the answer — they must have really sinned against the Lord! Originally it was an old, pagan country. They went through mostly Muslim and Turkish conquerors and were finally liberated by the French just recently!

So Bible prophecy promised that Sidon, one of the ancient capitals of Lebanon, would always have trouble. It's obviously because they didn't receive the Lord like they should have! And I don't think they'll ever settle the Lebanon question till Lebanon's divided and the Muslims are given a share of the land and the Christians theirs, and the same with Israel, unless the Anti-christ has a better solution. We know the Lord has!

So now the country's pretty well run by the so-called Arab peace forces headed by Syria. But fighting is still going on, breaking out every now and then! So we can see poor Lebanon is still suffering for her sins of the past, apparently, as well as the present, constant trouble exactly as the Bible predicted, but now mostly by Israel! Watch and pray! Love always, DAD.
