All you
need
is love!

We believe in love! love for God and others, for "God is love." (1 JN.4:8)
That's our religion - love! Love is everything, for without love there is nothing! - No families, friends, no fathers, or mothers or children or sex or health or happiness or God or Heaven - there could be none of these without love! And none of these is possible without God, for He is Love!

This is the solution to all of the problems of today: love! - True love, the love of God and fellowman! ---
The Spirit of God's Divine love which helps us all to fulfill His Great Commandment to love one another!

For it is man's rejection of the love of God and His loving laws that causes Him to be selfish and unloving and cruel and unkind to each other, man's inhumanity to man which is so apparent in today's weary world, with all of its enslavement by oppression, tyranny and exploitation, robbery by the rich, suffering from hunger, malnutrition, disease, ill-health, overwork, the tortures of war and nightmares of perpetual fearful insecurity.

All of these evils are caused by man's lack of love for God and each other and their defiance of His laws of love and faith and peace and harmony with Him and each other and His whole Creation. It's really just that simple: If we love God we can love each other! We can then follow His rules of life, liberty and the possession of happiness, and all would be well and happy in Him! Jesus said the first and greatest commandment is to love - to love God and to love your neighbour as yourself. (MAT 22:36-40)

Those He was speaking to then asked Him, "Who is my neighbour?" And with the story of the Good Samaritan (LUKE 10:30-37) He tried to show them that it is anyone who needs our help, regardless of their race, colour, country or condition. For if we have real love, we can't face a needy situation without doing something about it. We must demonstrate our faith by our works, and to say you love someone and yet not try to help them in whatever way they may need - food, clothing, shelter and so on - this is not love!

However, we feel that the sharing of ourselves, our love and life, with others is the greatest of all sharing! Jesus Himself had nothing material to share with His disciples, only His love and His life, which He gave for them and for us, that we might have life and love forever! This is why God created man to begin with: to love and enjoy Him forever and to try to help others to do the same.

"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life." (JN 3:16)

It was God who created love and gave man the need to be loved. So, although the temporal things of this Earth can satisfy the body, only God and His eternal love can ever fill that aching spiritual void of every man's heart which He created for Himself alone! The human spirit can never be completely satisfied with anything less than utter union with the great and loving Spirit that created it!

I'm still not happy-- why?!

I LOVE YOU!

He is the very Spirit of love itself, true love, everlasting love, real love, genuine love that never ends from a lover who never leaves, the lover of all lovers, God Himself!

He's pictured in His Son Christ Jesus, who came for love and lived in love and died for love, that we might live and love forever!
