

Explaining the Keys!

FM 10/01

Dear FM Family,

GOD bless you! Peter and I love you! We don't often have the opportunity to address you in a GN that is prepared just for you, so we want to take advantage of this to let you know how very much we appreciate each one of you. We are praying for you as you read the "Conviction versus Compromise" series, and know that the Lord will use it to inspire you and strengthen you spiritually. Please resist any feelings of incapability, fear of failure, or condemnation as you read the Lord's challenge to us all in that GN series. That's not the right reaction and will only make you feel sad and unfulfilled. Instead, seek our dear Husband desperately and follow as He leads you, and He and we will be pleased with the choices you make. We need you and are so thankful for you!

2. In this GN I have the privilege of sharing a very special treasure with you. Last year at the time of Feast 2001 the Lord revealed a new gift—the keys of the Kingdom. I don't want to steal the Lord's thunder as He explains this more fully in the Letter contained in this GN, but in brief, it's access to the greater power that we need for these more difficult and desperate days that the world is entering. When we received this revelation, the Lord instructed Peter and me that it was to be shared with the CM Family, so we did.

3. The Lord now wants to make this revelation available to you. With the changes that the Lord is asking each of us to make at this time, the keys have the power we need, if we will fulfill the Lord's requirements and avail ourselves of them. We are learning that the power that the keys give to each individual is in direct proportion to how much we are letting the Lord fully possess us. There is much to discover about this marvelous wonder; it's a step-by-step process. The keys are still somewhat of a mystery, but we do know and have experienced that they are very powerful. They work miracles on behalf of those who are fully yielded to the Lord and

asking for that which is within His will. It's great motivation to yield to the Lord more and more, as there is no limit to the power that is available to us as we seek to follow Him closely!

4. Without further ado, following is the message that the Lord gave when He first gave this revelation to us. In addition, we are enclosing a Letter that is going out to the CM Family at the same time, titled "Call on the Keys." In that Letter the Lord gives important insight and instruction on how to use the keys.

5. He's asking us to make some very big changes as a Family. He's requiring more of each of us. I know you're desperate to make those changes, so please call on the power of the keys for help! He's given them to us now because He knows we need them!

6. God bless you and keep you strong in the Lord and close to Him. Peter and I love you very much!

With much love in our Miracle-worker and Keeper of the Keys, Mama

7. P.S. Please keep in mind as you read this that the Lord emphasizes that this is a special gift that He is giving us as a reward for making the right choices.

8. Our level of obedience is what determines our access to the power of the keys, regardless of whether we're CM or FM. The Lord wants to give each person who is living for Him access to the keys as much as He can. He knows we need it for the days ahead if we're going to fulfill our destiny. As we give Him our all in obedience and dedication, as we make the right choices and let Him have full sway in our lives, we will have more and more power to overcome whatever distractions, tests, obstacles, and attacks might come our way.

9. The following messages are speaking to those who have committed their lives to our Husband and King, who are letting Him possess them fully, and have made the choices that He's asked of them. Lord help us all to do just that!

Dear loves, mates,
and co-workers,

WE'RE so privileged to have such a wealth of Heavenly riches. No one else in the world has heard the awesome truths we're feasting on during these special days.

2. It's important to remember as we read these messages that seem so magnificent and impressive that the Lord isn't just trying to inspire us with beautiful passages of inspirational reading.

These words are real and they signify change and greater power in our lives. The Lord is explaining truths that will and should affect our actions, the fruit we bear and our walk with Him. Things should be different as we strive, by His grace, to do what He instructs, and as we wait and watch by faith to see the fulfillment of His promises.

3. This message is especially important, because in it our Husband is explaining not only more of His Own experiences on Earth, but also telling us about a big change in the spirit world that is happening as a result of this revelation. This is something that will make a major difference in your life personally.

4. If you've been battling since entering the era of action, if you wonder why things have been particularly difficult, then this message will help shed some light on what you've been going through and why. You've been tested, but there is a reason. In this awe-inspiring prophecy, the Lord explains that He went through what He calls a crisis of faith, and because He called out to His Father, He was given the most precious possession He had ever received. His Father gave Him what He needed to do the job He had to do. This has special bearing on you and what you're going through at this very point in time. This is something that you'll see affects your life in a very big way. I'll let our dear Love explain this for Himself.

When Jesus Was Young

5. (*Jesus speaking:*) Dear Family, if you are to continue carrying out the plans and goals for the era of action, if you are to continue to meet the needs and demands that lie ahead of you, some changes must be made. The arrangements for these changes start with Me; the ball is in My court at this moment. Therefore I will now give the order to release additional aids for you, My loves, without delay.

6. I've given each of you who have chosen to continue into the era of action a fresh new anointing. I've spoken to you about the dangers of the impossible and assured you that this phantom does not exist for you, if you'll believe and do what I show you. I've increased your faith by enhancing the gift of faith within your hearts and spirits, so that you can cultivate this strong faith, feed it, practice it, and live it. I've shared with you My Own lessons on learning the art of rising above, and have given you a list of practical tips and advice on how you can do the same. Now I want to give you what you are lacking to facilitate the work ahead. Let Me explain.

7. All through My life as a boy growing up on Earth, the Spirit was preparing Me and guiding Me. My faith was tested as a child. In My adolescence and on into My twenties, there were many tests I had to pass. All these experiences helped My faith to grow and prepared Me for yet bigger tests I would be faced with in the years to follow during My public ministry. Remember, I had to pass all the same tests that you have to pass. I had to go through the same as you; otherwise I would not be worthy to be called your High Priest. Otherwise I would not be able to fully understand you, empathize with you, and know the same feelings that you experience. There were no shortcuts for Me.

8. On the eve of launching out into the greatest part of My earthly ministry, I had to pass a big test in the wilderness. I had to defeat the Devil, who severely tempted Me with his "kingdoms of this world" scheme, the temptation of earthly riches and fleeting human power.

He tempted Me with pride, with doubt, with hunger. Though I had a fierce time of it during those days and nights, with the help of My Father and His ministering angels, I pulled through. Those were special days there in the wilderness, for it was at that time that I committed Myself to stick to My calling.

9. For Me it was much the same as your time of decision and renewing your commitment to carry on in the calling I have chosen for you. Out there in the wilderness was when I renewed My oath of allegiance and subsequently received fresh vision, and that was when I received My new anointing for the public ministry I was about to begin. That was My time of renewal and of declaration when I reaffirmed to Heaven, and to the Devil as well, that I was going forward with the challenge to die for the sins of man.

10. Those days of testing were vicious, but I was soon to learn that those fierce battles during My time in the wilderness were not isolated, but they were the beginning tests to prepare Me for more tests of faith and the greater victories that would follow.

11. I know the thought of doing the impossible seems awesome through human eyes. I too was tempted when I faced impossible situations. As I progressed in My public ministry, when I began to fully realize all that would be expected of Me, there were times I felt like running away. In My carnal mind and way of thinking, I couldn't see how it would be possible to do some of the things that were expected of Me—to call on the power of Heaven while encased in human flesh, to perform miracles on Earth, to work impossibilities in the sight of man. On the other hand, I knew there was nowhere to run, and I prayed to My Father to help Me hold on.

12. It was not long after My public ministry began that another big test came. You know how it is when you think you have an idea of what something is going to be like. You're about to experience something new; you might have heard about it or read about it, so you enter some new phase of your life thinking you're

well aware of what to expect. Take having a baby, for example, or falling in love. You might have read up on it; maybe scores of others have told you about it and shared their own experiences with you, to where you think you have a pretty good handle on what it will be like when you experience the same. But then you find yourself in the middle of that experience and you discover it's much different than what you had expected. Well, that's what it was like for Me as I ventured out in My public ministry. In My carnal mind I thought I knew what to expect regarding My earthly life and ministry, but I soon found out that doing and experiencing were different than merely observing from afar.

13. As I stepped out into My new anointing, I found Myself surrounded with daunting tasks. The confines of the flesh, carnal thinking, and human emotions were a constant battle for Me, and I had to learn to cope and overcome. I was put to the test and found it necessary to demonstrate My faith often, to prove to the people that all things are possible with God. I came up against all sorts of surprises every day. Each experience was new and fresh, and each one taught Me a great deal—both about the physical world, as well as about the spiritual realities as seen through human eyes.

14. As I went about My business in those beginning days, I didn't expect the crowds to be so demanding right off. It wasn't until I was right in the middle of things that it dawned on Me that My ministry was going to snowball like it did. In just three short years, news of Me spread abroad. Little did I know from the day I performed that first miracle that things were going to develop so quickly.

15. I'll never forget that day when I turned the water into wine. I had no idea My mother was going to call on Me like she did at that wedding in Cana. When she came and asked Me to do something about the wine, I felt put on the spot. I didn't "feel" prepared to perform a miracle, as is so often the case with human flesh. This was evident in My reply to My dear mother when I told her it wasn't My time. I as

much as told her, "I'm not ready, Mom. What are you putting Me on the spot for, anyhow?" Bless her heart, even though I was lacking in confidence at that moment, she didn't lose faith in Me. She had complete trust that I was going to pull through. Her faith was so strong that she told the servants to get ready, to be prepared to do whatever I asked them to do.

16. As many of you have experienced by now, whenever a miracle is needed, most often you're on the spot! You find yourself in a tight corner, in the middle of an impossible situation or predicament. You don't know what on earth to do, so you're driven to seek My assistance—and boom—a miracle is born!

17. That's pretty much how it unfolded with Me right then. I was on the spot, I had to stretch My faith, and a miracle took place that day. The Spirit of My Father moved in Me, convicting My heart, and I'm thankful I didn't brush it aside. The need was there, and it was, in fact, My time.

18. From then on, as My Father began to work more miracles through Me, I was driven to greater desperation. After that first visible miracle in Cana, I could see the handwriting on the wall; I caught a glimpse of what My public ministry would entail. I knew that the press and the demands of the people would only continue to grow. I knew the need, and I felt incapable of meeting that need in My flesh. I knew I had been called to put My faith into action, but I didn't "feel" capable of dealing with it in My flesh.

19. My Father had given Me a new anointing when I stood the tests of faith in the wilderness. I knew He wouldn't fail Me. But as all this was unfolding before Me, I knew I needed to get down to business and get some answers and direction, as well as something to hold on to for My Own peace of mind and spirit. I knew I had to sort things out in My mind and heart. It was not that I expected to understand everything with My carnal mind at the time, but I knew I needed some word from My Father, something to spark My faith, something to hold on to.

20. You could say I was passing through My Own crisis of faith at the time. My faith was being sorely tested. I needed help. So I desperately called out to My Father, and when I did, He called Me aside. He told Me to come up into the mountain by Myself. At that time, I had one of the most serious of all conversations (in My human life) with My Father, and it was there He presented Me with one of the most prized of all possessions. What My Father gave Me at that point in My ministry, I am about to give to you now; but before I do so, listen carefully.

A Boost from the Father To Fulfill My Destiny!

21. Up until this time I had passed the needed tests and made decisions and choices that brought Me to the point I was at. I chose to fulfill My calling, yet in order to continue in My calling, My Father found it necessary to make some changes and give Me some special gifts in order to facilitate My mission. He had already given Me a fresh new anointing for the job at hand. He had enhanced the gift of faith in My human heart, just as I have increased the same in your heart now. But it was My responsibility to do something with that increase of faith I had been given. I had to believe it. I had to access it. I had to act on it. I chose to do so. I made the right choices, and even though there were times I felt like giving up, I didn't; I held on to My faith.

22. Some of you might picture this “holding on to faith” in different ways, but when I say I held on tightly to My faith, I didn't just sit there “holding on” for dear life waiting for something to happen. Hold on to it I did, but I did it as I was on the go, putting that faith into action. I held it tight, all right, but I held tight as I was on the run doing the things that natural man said could not be done. I wasn't only holding on to My faith, I was proving My faith, putting it to good use, exercising it, stretching it, acting on it at every opportunity that presented itself. I always had to do My part.

23. What My Father presented Me with at that time helped Me to put My faith into action. What He was about to put in My hands gave Me courage to trust and obey where He was leading. What He was entrusting Me with was the means to get the job done, and this boosted My faith into action.

24. In that moment He gave Me the keys to both Heaven and Hell—the keys to unleash the power of Heaven and to leash any power of Hell. He gave Me full access to every power source of Heaven, the code to unlock every solution, the means to bypass all impossibilities. He didn't just give Me keys to designated sectors or portions, but He gave Me full and unlimited access—all the keys to Heavenly resources.

25. Now My Father was giving Me full possession. I held at My fingertips the ability to unlock everything, to have understanding of every situation, to understand when necessary every thought and intent of every heart, to release all of Heaven's power and bind all of Satan's power, should it be necessary.

26. My Father did this because He was going to expect more out of Me in My public ministry. Before that, I had access to Heaven, all right, but now I had complete access—no holds barred. This was because I had passed the tests thus far and could be trusted to continue. It was because I merited this help from Heaven, and My mission was crucial to the saving of mankind; thus it was necessary to equip Me with such access.

27. All power was given Me in Heaven and in Earth. I had the power within Me all along, just as you have had, for you were ordained and chosen since the beginning of time. So actually, in a sense, I already possessed the keys, but what happened in that moment, in terms you can understand, is that My Father enhanced My gift of faith and turned on My activation key, enabling Me to access the full power! I was equipped from the beginning, but now I would be able to access all power. All I had to do was My part—to believe and to take action. All I had to do was access the key codes, which I

possessed. Much like you do today in accessing information on a computer; you punch in the right code and you're able to access all you need to know. It was that simple.

Unlimited Access to The Full Power of Heaven!

28. And now, dear ones, I reveal to you this truth. When I spoke to Peter and to My early disciples, saying, "I will give you the keys to the Kingdom of Heaven, and whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven," who do you think I was speaking to at that time? I was speaking specifically to My early disciples at the time, and I was speaking to you, the children of David of the Endtime. It is given to you to utilize the full power of Heaven, to access the full power, to use the keys of the Kingdom I have put in your hands.

29. Christians through the ages have interpreted these words to mean that they too held these keys in their hands, and in part, some have. According to their faith and the need, I have given some access to the keys of the Kingdom, but this has only been in part—for it has been according to the faith they exercised. Up until this time, Christians have not accessed the full power, for their faith was not so exercised as yours is to be in the days to come.

30. You, the children of David, have had greater access than most through the years. I have already given you some of the keys, and I have released and/or bound many powers for you when and where necessary. You, My chosen brides, have bound in Heaven and loosed in Heaven, according to your faith.

31. Yet as you continue walking in the direction I'm leading, as you continue on in this era of action, right now, today, if you will reach out and receive, I will turn your activation key, giving you unlimited access to the full power of Heaven. I now wish to give you complete access to the keys of the Kingdom, for this is what you will need to complete the mission you have before you. Just as I needed this boost to fulfill

My destiny, you now need the same. Just as I kept passing each test and making the right choices, to where My Father was able to reward Me with additional aid, I will do the same for you.

32. When I spoke to My early disciples, saying, "I will give you the keys of the Kingdom," I was also speaking to you, My children of David in the Time of the End—for I knew you would need it and I knew your faith would warrant it. This promise has been reserved for you, for I could see the future. I knew that you not only would need this in order to fulfill your calling in the Last Days, but that you would be worthy of this possession, that you would merit it.

33. For those of you who have committed yourselves to follow onward, who have willingly chosen to continue on in the era of action, I now present you with full access to the keys of the Kingdom of Heaven; according to your faith it is done. This is an amazing, awe-inspiring possession; learn to use it wisely.

34. And know this, the power of these keys I put in your hands has now been augmented since the time My early disciples used them. The key codes have been updated! Never before have My children had access to such power as I am making available to you now—not even Peter and the early disciples, or any of My faithful prophets and great men and women of faith down through the ages. It is given to you, My faithful of the Last Days, to possess new codes that were not necessary in the past because the need did not warrant them. But now it is warranted, for you will do greater works than I. And you will not only do greater works than I did, but you will also do greater works, much greater works, than My early disciples and all My prophets and people of faith throughout history. Now the power of Heaven is increased, so your power is increased!

35. I'm giving you access to greater power. All power is given you, and all the power of Heaven is augmented in these Last Days! The power has been there all along, within you, but

now, today, you can access it—according to your faith it is done.

36. The evil forces are also amplified. They surround you; they are everywhere, working to keep people in bondage and darkness. But your power is amplified many times over. You have the power to release those in bondage. You have the power to overcome all evil. In your keys, you have liberty and freedom. Therefore start today and access this power I put in your hands; use it prayerfully and wisely, and walk in and claim victories. There are no obstacles to you; as long as you continue to do your part, I will never fail to do Mine.

37. This is your day! Now I give you all power in Heaven and in Earth; according to your faith be it done unto you. It is accessible to you who follow closely. Access it as often as needed, put it to use, exercise it, spread it around, use it to draw men to Me, to carry out the plan I put before you. (*End of message from Jesus.*)

38. (Mama:) I want you to please really think about this monumental message. It's difficult to grasp the full meaning of this revelation without taking some time to meditate on it. When you have time, please read the entire message a number of times, if need be, until you begin to see how this applies to your life and what our Husband means by this tremendous gift that He's giving us.

39. Here are a few points of summary for you to consider:

40. • In order to accomplish what you're called to do in the era of action, you need something. You're lacking some key element. The Lord is going to give you what you need right now. This is in addition to your new anointing, your enhanced gift of faith, and the lessons you're learning on the impossible and the art of rising above.

41. • You're supposed to do something with your enhanced gift of faith. You must act on it, exercise it, and stretch it whenever you can. This new treasure that you

are now receiving will help you do just that.

42. • Here is how the Lord describes this magnificent gift:

a. Complete access to all of Heaven's power, and dominion over death and Hell.

b. The means to get the job done.

c. Full access to every power source of Heaven.

d. The code to unlock every solution.

e. The means to bypass all impossibilities.

f. All the keys to Heavenly resources.

g. In your keys, you have liberty and freedom.

h. The power to release those in bondage.

i. The power to overcome all evil.

43. • No one has ever had access to such power before. It wasn't necessary in the past, but it is now if we are to do the greater works that Jesus spoke of.

44. • We need this boost to fulfill our destiny, just as Jesus did.

45. • According to your faith it will be done unto you.

46. • We are the ones who will be faced with greater impossibilities, who will defy and overcome greater forces of evil, so we need greater forces of power to work on our behalf.

47. All of this is yours! Now it remains for each of us to do our part to learn to use and access this power so we can draw people to Jesus and fulfill His plan. Please don't minimize this astounding happening in the spirit. Please don't let the Enemy steal the reality of this away from you through disbelief. This is for you, today, and it's real!

Call on the Keys!

Dearest Family,

I love you so much, and pray for each of you as you take the time to study the abundance of New Wine the Lord has recently poured out to us. There's so much we can hardly keep up with it all! Sometimes the great magnitude of something the Lord has said doesn't sink in right away, until later, when we personally experience it or have a need for it. That's often when we realize how important and useful the Lord's counsel is. So, during this time when we're reading the "Conviction versus Compromise" series, we wanted to pass on this practical information on how to use the keys to the Kingdom to give you the power you may need for changes in your lives.

2. The keys to the Kingdom are one of those things that we didn't really understand very much about when He first told us about them. They sounded awesome and magnificent, and we knew that they were a priceless gift to be treasured, definitely something very special, but the practical application of how we would use them, or how they were meant to become a part of our lives, was a little vague.

3. We started asking the Lord more specific questions about how to use the keys a couple of months ago. We were asking the Lord for more information—anything that would help us learn how to use the keys better, what we

need to do to activate their power and avail ourselves of this precious gift the Lord has given us.

4. Several of the folks in our Home had recently begun to claim the power of the keys in their prayers, asking for the keys to be activated and give the extra boost needed in whatever situation they were praying for. But we knew we needed more information on exactly how to harness their power or what we needed to do to activate them or benefit from them fully.

Sweetie's Testimony

5. Around the same time as we were coming before the Lord with more questions about the keys, our Home united to pray for Sweetie, one of our dear COs who had been staying with us for about three months, and who was due to return to her field in a few weeks time.

6. As you all know from the prayer requests that were published for her, Sweetie had battled a serious health affliction for about a year and a half. The symptoms were many—dizziness, inability to focus her eyes, diarrhea, muscle spasms, extreme weakness and fatigue, headaches, fevers, etc. She had been to several doctors and none of them were able to diagnose what the problem was.

7. She had also had prayer many times for healing, and we had sought the Lord repeatedly about her condition and what she should do about it. It was her continuing struggles with her health that prompted us to invite her to come to our Home for a furlough, a time of rest. Even at our Home, though, with a very light workload and lots of care, she was still battling this affliction. She had good days and bad days, but overall it was continuing.

8. When she came before our Home for prayer just a few short weeks before she was scheduled to return home, it went along pretty much as usual—everyone prayed fervently for her, a couple of people received messages of encouragement from the Lord, and devotions was about to be dismissed. But the Lord laid it on the heart of one of the members of our Home

who has been working with me on the GNs about the keys, that we needed to call on the power of the keys for Sweetie's healing. So, God bless her, Misty stepped out by faith and shared what the Lord was telling her, and several people prayed, specifically asking for the power of the keys of the Kingdom that has been promised to us.

9. I'll let Sweetie tell you the rest in her own words. This is from a tape that she made for Peter and me the next day.

10. (Sweetie:) I imagine you've already heard about what happened during yesterday morning's devotions. To put it mildly, it was exciting and life-changing!

11. A few of us in the Home got prayer for things. I got prayer for my health and that the Lord would use the doctor I'm visiting to be a help, and I also asked for prayer for faith, since I need to make a decision soon about whether or not I'm going to be a chairman of one of the regional boards in our area. Then three others also shared lessons and asked for prayer for various areas of their lives. We all had prayer and the Lord gave prophecies for each of us.

12. Then, when everybody thought devotions was over, Misty spoke up and said that she was getting a strong check that we needed to call on the power of the keys of the Kingdom for my healing. She suggested that if I'm ever going to get healed, instead of just praying our regular prayers, we really need to call on the power of the keys of the Kingdom and expect the Lord to do a miracle. So that's what we did!

13. So several people with the gift of healing laid hands on me and prayed, calling on the power of the keys, and then the Lord gave some encouragement, and Dad spoke and said that the Lord has done it, that I'm healed! It was very clear that the healing has taken place; it's done! Thank You Jesus! I'm very happy and feel like celebrating. I imagine there may be a few tests

and “lying vanities” I’ll have to fight, but I know the Lord did the miracle of healing, which is wonderful!

14. (Later:) It’s been almost a month now since I’ve had that prayer and I can testify that I’m much stronger, healthier, and I haven’t been sick in bed one day since then! Of course, the Enemy didn’t give up without a fight and I had an attack of “lying vanities” once, but even then the Enemy was defeated pretty quickly, just like the messages published in the GNs said about how the Lord’s now given us the power to “rise above!” (*End of excerpt from Sweetie.*)

15. (Mama:) During the prayer for Sweetie in which we claimed the keys of the Kingdom for her healing, one of the folks in our Home received the following vision:

16. (Vision:) I started getting this vision, which was very heavy. I was crying through it, and I couldn’t talk. It was a vision of a very powerful woman angel or spirit helper who was like part of the wind, kind of like a tornado or a hurricane or something, and part of her body was coming out of it. You couldn’t see her feet, but her arms and her clothing were all a very powerful wind, almost like a storm, but with a good spirit.

17. She was saying, “Call on the power of the keys. You have to say, ‘We call on the power of the keys.’” You have to say the words, “We call on the power of the keys for healing.” She just kept saying that ... and right then Misty said the same thing in the first line of her prayer, “We call on the power of the keys.” I don’t know what she was, but she was very significant and she was saying, “That’s what you have to do. You have to say this specifically.”

18. She was beckoning and calling—not frantic, but very impassioned, saying, “You have to just call on the power of the keys”—like if you don’t, it won’t do any good. “You have to

say these words,” and then Misty said the exact words. (*End of vision.*)

Ellya

19. (Mama:) We knew this was significant and so we asked the Lord, “Sweet Husband, could You please speak more about this woman?” Who is she? What does she represent or stand for? What does she have to do with the keys? Does she have a message to give? Do You have anything to say about her? Could You please also tell us more about the little she said about the words to use when calling on the power of the keys? Is there more to it? Are there more words we should say to harness the power of the keys?”

20. (Jesus speaking:) The woman you saw in your vision is a spirit of great power, a spirit of the wind and the air, a spirit of the whisperings and pleadings of My Spirit. She is like unto the spirits portrayed as gods and goddesses of old in Greek and Roman mythology, but she is real and she exists today! She represents the new era of greater miracles and greater works, specifically concerning the power of the keys and what they can do for you, My children.

21. Her name is Ellya [pronounced ELL-yah]. She has been in existence from almost the beginning of time. She has stayed close to My heart and My side, and has always pled My cause. During the time of the great division in Heaven, when Lucifer chose to leave My side and the calling I had entrusted to him, Ellya pled and reasoned with her fellow angels and spirits of the heavens to remain true and faithful. During the great confusion and the evil times of Noah’s day, she also pled with the world to forsake their sins and to turn to Me. This she has done through the ages, at every turn, without ceasing.

22. Because of her great love and sacrifice in pleading with both men and angels countless times, I have given her great power. Her power comes from her desire to see all life, humans and spirits alike, follow Me and walk aright. In following and yielding one’s will to Me, there

is great power. Likewise, there is even more power granted to one who not only follows Me, but seeks to persuade others to do the same. This is the deep secret of Ellya's power.

23. Since the beginning of time, Ellya has taken on many forms. Whatever form best suited her mission, she has become. Now you see her as the woman of the wind, graceful and beautiful, yet powerful and awesome. She carries great strength, and her very being is absorbed by and is one with the power of the wind. The atmosphere moves and erupts wherever she goes, yet it is a Godly power—a demonstration of My great power through one who is set to fulfill her present mission.

24. She has taken on the form of the wind in order to whisper the secrets of the keys to you, My children, everywhere. The wind and the air are always around you. Ellya is also always around you in some form, for as the woman of the wind, she is connected and extended throughout every current of air, every gust of wind, every storm and the surrounding calm. In essence, she can be everywhere through this vehicle, although she herself, her full presence and being, is not always there.

25. Her mission is to draw you, My children, toward the keys. Her mission is to plead with you, to show you, to teach you, to beg you to use the keys, and to use them properly. You have much to learn about the keys. Ellya is versed in all knowledge and wisdom concerning the keys. I have put My mind and heart concerning the keys within her for this very task. Her soul mirrors Mine in her deep desire to enlighten your hearts and turn them toward the keys. She will use all the power she possesses to draw your attention to the keys.

26. Ellya represents the power in the Heavenlies that you can have on the Earth, within the carnal and natural realm of man. You can receive the same power that she possesses, to be applied in spiritual and miraculous ways in your service for Me. Though not all the spiritual manifestations of her power are available to you, such as her ability to change form

and manner, you can possess the deep power of the keys just as she does, which provide her with all the strength and command that she is known for.

27. Hear her calling to you, begging you to use the keys! She knows that you want to use the keys, that you have faith in them and long to see that faith manifested in tangible miracles and marvels. She wants to teach you how to use the keys, like an old and revered sword that has done much battle and never seen defeat, so that your skill can be sharpened, your power activated, your spiritual resources never-ending, and your own weak self turned into a champion that is undefeatable. This is all reality, My loves.

28. She now gives you your first lesson: the proper way in which to call on the keys. I will let her speak for herself, for her pleading has reached your heart and she is impassioned and persuasive. Listen to her words well, for once you have been under her tutelage, only your lack of faith and unbelief will limit you. I have given her My permission to doubly empower those who cling to her words, who hunger and thirst after her instruction, and who do as she pleads. Ellya is part of the full activation process of the keys that are available to you. You will learn more as time goes on, as you obey the first steps that are shown to you, and look for more.

29. I am very pleased that you have found this great treasure and have inquired after it. In listening to Me and receiving the training that I have ordained Ellya to give you, your understanding of the keys will grow tremendously, and you will advance quickly. She will teach and explain to you one lesson at a time. She will not give you more than a simple instruction in one sitting, and she will wait for you to absorb and implement what she has given before she is permitted to dispense more. This is My command, because the gift of the keys is so priceless, and I will only give it to those who are respectful of My Words, and those who are willing to be taught and instructed.

30. Many will hunger and lust after the power of the keys. As My children advance in their use of the keys and learn to harness the untold power of the keys, others will seek after the keys in order to twist their use toward personal glory and fame. These will be eager to learn, to be instructed, to follow the steps to power. But they will find none. The keys are only activated through sincerity of heart, and without the quality of a deep love for Me, dedication, and yieldedness to Me, the keys give no power. The keys know the heart of a believer, and they will not be deceived or made a mockery of by selfish and power-hungry users.

31. There are other gifts that I have given those in the world, both Christians and non-Christians—gifts of special powers, healing, discernment, mind-reading, connection with the spirit world, extreme knowledge, and many others. But the gift of the keys is only for those who go further—who love Me, who live for Me, and who give their lives for Me. The gift of the keys is for My Endtime disciples.

32. So seek within your own heart for the desire to be a disciple. The power of the keys will equal your commitment to discipleship, and not only your commitment, but your day-to-day living. As you dedicate yourself, and live your dedication daily, the power will come to you in the same measure. Then you must harness it and utilize it. These are the guidelines and the conditions of the keys of the Kingdom. (*End of message from Jesus.*)

Call on the Power of the Keys!

33. (Ellya speaking:) Whiss, whiss, whisperm of the wind! I call, I cry, I chant. I find your ear and a listening heart, and the power glows. I feel it deep within me, inside of my heart and innermost being. I pulse. The wind quiets. It is time to share the secrets of the keys with those for whom the power is intended.

34. This is one of the most priceless gifts ever given to man. Aside from the gift of salvation, when Jesus came to Earth to give His life for your sins, and the gift of the Holy Spirit,

which God bestowed upon you when Jesus departed, the gift of the keys grants you an unparalleled wonder.

35. As my Lover and King has told you, I long to tell you how to call on the keys. First, you must understand that the keys of the Kingdom are real. They exist. They are not a mere symbol, nor some sort of ornamental representation. They are a real and living, vibrant entity. The keys are alive, and they represent our Savior's spirit and all the power of Heaven, which can never be conquered. When you call on the keys, remember that you are calling on a living, moving, powerful, spiritual phenomenon. The keys of the Kingdom have been granted power by God, and they release power in return. When you call on the keys, they will unleash power on your behalf.

36. You must call specifically on the power of the keys, or the power of the keys of the Kingdom. The more specific you are, the better. The keys are activated in part by faith, and the more faith you demonstrate in calling on the keys by name, showing that you believe they are real and exist, the more responsive power you will receive.

37. Say these words in your prayers and times of intercession, when you are asking for great things, for the marvelous works promised to you in the era of action, the era of miracles, the era of greater works, the era of no impossibilities, the era of rising above. These are some of the words of power, and as you speak these words, your prayers will be taken straight to the keys, and will return with power and the miracles you have asked for.

- "I call on the power of the keys."
- "We claim the power of the keys of the Kingdom."
- "I take hold of the power of the keys."
- "Release the power of the keys into our hands."
- "Deliver the power of the keys unto us, for Your glory."
- "We harness the power of the keys of the Kingdom."
- "We reach out to the power of the keys."

38. When you begin to pray, you must specify that you are calling on the power of the keys. Say those words in your first or second sentence. The power does not come on until you call for it. Avail yourself of the power of the keys from the moment you begin interceding. That is the first step. That opens the door for miracles. So call! Call on the power of the keys. Say the words. You cannot harness the power of the keys if you do not call on them by name. They beg to be used, but they must be called upon by name.

39. Until our next meeting, then! I will whisper and remind you to call on the keys, and when you have learned this, seek for the next whispering. (*End of message from Ellya.*)

40. (*Jesus speaking:*) I know that some of you wonder about the keys of the Kingdom, and whether you truly need their power, for have I not said that you could even move mountains with but a mustard seed of faith? It is true that you have great power simply by knowing Me and being able to claim the promises of My Word through your obedience. But the keys grant you even greater power, and give you the ability to use it more readily and easily!

41. Think of it as if it were a major upgrade on your computer hardware or software. You may have been able to do some things on your computer before, but the upgrade gives you the ability to do much more, and to do it faster and easier. The keys of the Kingdom are an upgrade to your power in every way, and you will see this increased power manifested as you call on them, claim their power, and put them to use! (*End of message from Jesus.*)

You Need the Power Now!

42. (*Mama:*) There is obviously much about the keys that is still a mystery to us, that we will yet learn and discover as we go along! But one thing is very clear: We must learn to use the power, and the way to begin is to call for it, to ask for it specifically when we pray.

43. Here is another message the Lord gave when we asked Him what more we needed to know about using the keys.

44. (*Jesus speaking:*) I am bringing the power of the keys to your attention from many directions and avenues because I want to get your attention. I want you to be thinking about the keys, asking Me about the keys, and getting more information. This is indeed a priority. You are right in knowing that this will be a crucial part of the Family having the power they need to make the changes I am asking of them.

45. (*Mama:*) You'll be happy to know that the Lord has poured out abundantly about the keys—their inner workings and more details of their power, and you'll be receiving some of the material for this coming Feast, God willing! So there is much more yet to come. But as the Lord said, this information that He's giving us right here is crucial, because we need it now. We have to learn to use the keys, because we need their power right now to make the changes in the Family that He's asking of us.

46. (*Jesus continues:*) At this time the Family is not calling on the power of the keys. They're not using the keys, and consequently they're not availing themselves of the power they need. The battles have intensified, and so has My power. The battles will confront and try each Family member because the Enemy is faithfully on the job—testing, delaying, and discouraging. I allow these attacks to strengthen My children and to defeat the Enemy, among many other reasons, but when My children do not come to Me for the help and power they need, then they are sometimes defeated instead. It is not a per-

manent defeat, for I will triumph in the end, but it is a loss, a setback.

47. If the Family neglects the intensified power that is at their disposal, they are at a great disadvantage. They feel the heat of the battle, but they weaken because they are trying to do it somewhat on their own, or with limited and “outdated” weaponry. They have the power at their fingertips, but it’s just out of reach if they’re not thinking, remembering, and actively using the keys.

48. They must be alerted to this. I want their reactions, decisions, prayers, everything to work through the power of the keys.

49. The Family is in need of two things right now regarding the keys: (1) a clear reminder that they should be using the keys now, and (2) examples of how and when to use the keys. The greater understanding of the deep things of the keys will be revealed later. You don’t have to understand every single thing before you can begin to use the keys. It’s similar to prayer. You keep learning about prayer throughout your life. There’s always more to learn. It’s a fascinating and awesomely deep subject in the world of the spirit. But you don’t wait until you understand all that; you start praying right away. You don’t have to know everything to pray and for those prayers to have effect. Even babes can pray! It’s the same with the keys. You don’t have to understand all about them; just use them, call on them, do it. (*End of message from Jesus.*)

Say the Words!

50. (Mama:) The Lord then went on to give some very specific instruction as to how to use the keys in our prayers. He said:

51. (Jesus speaking:) Using the keys in your prayers is really simple. It doesn’t require eloquence or a lot of deep understanding of all the intricacies of the keys, it just requires saying the words. The power of the keys is not activated until you say the words, until you actually verbally call on the power of the keys.

52. Even if you just say that over and over,

“I call on the power of the keys,” that would do the trick. That would immediately put at your disposal all the awesome power of the universe.

53. It’s easy and simple, but the catch is, you must say the words. Just like you don’t activate the power of prayer until you actually pray, so you don’t activate the power of the keys until you verbally and deliberately acknowledge and manifest faith in the keys by calling on that power. Then it’s there, in a flash.

54. So actually, it should be easy to learn to use the keys in your prayers. It’s not that you have to relearn to pray or do something so very different; it’s simply an addition to your prayers, that of calling on the keys, claiming the power of the keys, showing your faith in this gift by asking for it.

55. So your keys of the Kingdom prayers can be very much like what you pray now, just with this addition, this recognition and direct clear reference to the keys, an obvious acknowledgment that you want to avail yourself of this power.

56. I know My children like variety, and that’s why I want to supply many “Keys of the Kingdom Promises” so you can claim them in prayer. That will make it easier to continue to use the keys, for I know otherwise you would weary of constantly saying the same phrase. Also, knowing I gave these promises, just as I gave the promises you claim and stand on in the Bible, will increase your faith, for you will know clearly that what you’re praying for—whether it’s healing, supply, deliverance, open doors, unity, the power to forgive, whatever—has been accounted for in the power of the keys. When you see your need specifically mentioned, then you have more faith that it’s within the power and it’s My will to supply that need and to do it through the keys.

57. You know that “faith cometh by hearing, and hearing by the Word of God.” According to that spiritual principle, faith in the keys will come by hearing these promises, and knowing that I want you to claim them in your prayers. I want to work miracles through the keys, but

you must release that power; you must claim it and demonstrate your faith in it through calling on it. Just as you claim promises in the Bible and it strengthens your faith, so you can claim these modern-day promises with as much confidence. They are My promises to you and they will not fail you.

58. Claim these promises of the power of the keys and you will see miracles, and so, through the power of the keys of the Kingdom, shall the ministry of miracles both great and small become a reality in each one of your lives. (*End of message from Jesus.*)

59. (Mama:) That is how all these awe-inspiring things the Lord has been promising us will be fulfilled—through the power of the keys! The ministry of miracles, the expansion of the Family, our becoming a financial power, the witness being increased, even greater faith and fruitfulness and the ability to rise above—it's all ours through the power of the keys!

Miracles Involving the Keys

60. Around the same time that the Lord was giving these messages about the keys and how to use them, there were several other outstanding instances of miracles in our Home involving the keys. The Lord was obviously bringing the keys to our attention in a big way. He wants us to focus on their power and learn to use it.

61. One example was when Peter and I had to give some rather strong correction to Matthew, one of our co-workers. He's a precious, faithful man, and we couldn't do without him. We love him dearly, and are very thankful and proud of him for the progress that he's made over the years. But the Lord knew that more change was necessary, and gave some pretty strong messages both to him and about him, which the Lord led Peter and I to give to him. Here is his testimony of what happened, taken from his explanation to our Home when he asked for united prayer. He said:

62. (Matthew:) I would just like to testify of a great miracle that happened to me this time in my correction. I have had over 50 years of correction in my life, and lots of it. And I have always hated and resisted it. Before the Family it was mainly because of my total resentment of any authority over me. Thankfully, being in the U.S. Army and the early years in the Family knocked some of that chip off my shoulder. But even in the Family I dreaded correction and "NWO talks"—I'm sure partly because of this resentment of authority. But I believe the main reason was because of the discouragement and despair it brought me, as I felt in my heart that I just wouldn't be able to change. Of course, prayer works and there was some change over the years, but I would still be overcome with hopelessness.

63. But this time when Mama came to give me a prophecy about my problems, I immediately called on the power of the keys to the Kingdom to give me a desire for the correction rather than a fear of it. I prayed desperately even before reading the prophecy that I would be able to fully receive it all, without any condemnation or discouragement. And the Lord miraculously did it! I haven't had one moment of condemnation or discouragement, thinking that I couldn't change and get the victory over these problems and weaknesses in my life and walk with the Lord. So I'm a huge believer in the power that the Lord has now given us through the keys of the Kingdom, and I'm positive that they have been activated in my life. Glory to God!

64. After I had a chance to read the prophecy—a message from Jesus to me—and pray about it, then Mama and Peter talked with me for two hours. Even during that time, I felt a total peace. Afterwards they gave me more counsel from the Lord—this time it was about me rather than to me—with more detail, again hard-hitting. I read

that additional counsel from the Lord the next morning and was able to receive it without feeling at all discouraged, which was another huge miracle. (*End of excerpt.*)

65. (Mama:) One of our SGA women also testified of a miraculous healing which took place around the same time.

66. (SGA woman:) I recently asked for united prayer for healing from ovarian cysts. I found out that I had cysts a couple of years ago, and had asked a few of my close friends to pray for me, but hadn't come before the body to ask for united prayer. Over the last couple of years my condition became more problematic and more painful, and I wanted to look into some sort of treatment. I went to the Lord about this recently and He challenged me to ask for united prayer and claim the power of the keys and His promises of healing. He said:

67. (Jesus speaking:) Asking for prayer for your health problem is taking the first step on the road to recovery. Full healing has been waiting for you for many months, but you have not been ready to take it by fulfilling your requirement: using the power of the keys to claim My healing.

68. It is My time to heal and to save. You think you lack full faith for this healing, because it is something that you have battled with for so long, but I will heal you. By asking for united prayer you show a measure of faith, and you allow Me to go with the faith of others who pray for you. Though you are weak in faith for your healing, the strength and power of prayer will fill in where you lack and I will work the miracle. (*End of message from Jesus.*)

69. I asked the women in our Home to pray for me that evening. The prayers were beautiful, as each person claimed the power of the keys for my healing, and then we had

a time of hearing from the Lord.

70. The Lord gave His confirmation that the miracle was done.

71. (Jesus speaking:)

In these keys is a golden glow,

And through these keys does My power flow.

As you use these keys will the day dawn bright,

And fill your soul with My healing light.

72. I will honor your faith, My precious bride, and I will bless your humility in calling for prayer and the laying on of hands.

I will especially bring forth a testimony for good because of your faith to call upon the keys of the Kingdom.

73. I know you are stepping out by faith.

This is a new direction, a new stretching of your faith. This is a new demonstration of yieldedness and belief, and you will not be disappointed, for you will see signs following and you will see the miracle that you seek. I will and I have touched and healed. I have made you perfectly whole.

74. So fear not, for as the one who touched the hem of My garment received a blessing for her faith, so have I touched you. My power has entered into you through the hands of your loved ones and through the faith of their prayers and through their taking hold of the keys of the Kingdom on your behalf, and you have found the healing that you seek.

75. Fear not and be not dismayed, for know that what I have promised I am able to perform, and you will see a performance of these things that I have told you in honor and testimony and reward of your faith and your asking.

76. My precious love, do not fear the humbling, for the humbling is part of the healing, and just as important. For with

the testimony that has carried on through the ages of the woman who cast herself at My feet, touching the hem of My garment—the testimony of her humility rings as loud as the testimony of her desperation and her faith.

77. Humility is a beautiful thing. It is to be worn with pride. So do not fear what I am doing in your life. Be thankful and rejoice. *(End of message from Jesus.)*

78. (SGA woman continues:) It shouldn't be so surprising, but it's been two weeks since that day, and by all signs I am healed. I was in pain and bleeding pretty much all the time for several months, but it ended that evening—another fulfillment of the Lord's promises of the power of the keys. *(End of testimony from SGA woman.)*

79. (Mama:) There are obviously conditions attached to using the keys. We have to be obeying the Lord and asking for something that is within His will. The Lord also said: "Because the gift of the keys is so priceless, I will only give it to those who are respectful of My Words, and those who are willing to be taught and instructed. ... The keys are only activated through sincerity of heart, and without the quality of a deep love for Me, dedication, and yieldedness to Me, the keys give no power. ... The gift of the keys is only for those who go further, who love Me, who live for Me, and who give their lives for Me. The gift of the keys is for My Endtime disciples.

80. "So seek within your own heart for the desire to be a disciple. The power of the keys will equal your commitment to discipleship, and not only your commitment, but your day-to-day living. As you dedicate yourself, and live your dedication daily, the power will come to you in the same measure. Then you must harness it and utilize it. These are the guidelines and the conditions of the keys of the Kingdom."

81. Lord help us to be worthy of this immeasurable treasure He has given us!

82. Here now are the promises the Lord gave for us to claim and appropriate about the keys and the power they hold for us, and a sample prayer He gave as an example of how to claim the power of the keys and use the promises He's given. We hope to receive more of these promises in the future, and we'll get them to you as soon as we're able. Accompanying this GN (or coming soon) you will receive these same promises in sheets, ready to be cut up and used as a promise box, or however you can use them best.

83. I pray that you'll take full advantage of this wonderful gift by calling on their power at every opportunity. Whenever there's a need, we want to do all we can, and without calling on the keys we're not really availing ourselves of all the power that we have. If we don't think of the keys, then we don't use them, and if we don't remind each other, then we don't practice and we don't grow, and we will miss out on the reality of this revelation, this tremendous gift, this awesome power the Lord has given us!

84. We need the keys in order to fulfill our destiny. It's not possible without them. So Lord help us to do our part, to use them, to exercise our faith, and make room for the Lord to do the miracles that He has promised!

Sample Prayer for Healing

143. Wonderful Lover, we thank You for being our Great Physician. We call on the power of the keys of the Kingdom for healing. You said, “Whosoever will call upon the power of the keys will work miracles.” We call on that power now. We ask for a miracle. You said, “The power of the keys of the Kingdom will rebuke and bind every power of the Devil.” Through that power we rebuke this attack of the Enemy, this sickness, and we ask that You raise up our loved one to full health.

144. Darling Husband, You said, “Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the Name of the Lord, and the prayer of faith shall save the sick and the Lord shall raise him up” (James 5:14,15a). We are obeying You with this united prayer, the laying on of hands, and the anointing of oil.

145. Thank You for Your promises, dear Love. Thank You for Your healing power. Thank You for the keys of the Kingdom, which You said are the most precious spiritual gift You’ve given us, next to salvation and the baptism of the Holy Spirit.

146. We are forever grateful, Jesus, and we expect miracles. We humbly and with open hearts wait to see the fulfillment of Your promises—both from the Bible and the promises You’ve given us today. We have fulfilled our end of the bargain, now we ask that You do what we cannot do. Thank You and praise to You, precious Lover. We give You, our Miracle Man, all the glory.
